No more graveclothes, no more tombs... Love is calling your name. This Christian autobiography talks about the dream of a small boy to follow in the footsteps of his childhood role model to earn a full scholarship in college football. Everyday children are influenced by athletes in high school, college and professional sports. This book offers insight into the world of a high school and college student athlete. It shows that it is possible to make the right decisions along the way and encourages student athletes to become the role models this society desperately needs. College is a time when many student athletes "soul search" to find that balance to juggle life's complex load involving serious questions about future aspirations. This spiritual journey addresses thought provoking questions involving Christianity that student athletes have been longing to have answered. It also talks about how to effectively play for Christ, while witnessing to others and giving all the glory to God. Stop hitting the spiritual snooze button. Would you describe your walk with God as fresh and exciting? Would you describe your spiritual life as vibrant and passionate? Weems encourages you to surrender fully, to discover the right kind of fuel for the journey, and to learn a new way to pray and fast. This lifestyle is not based on rules or religion, but on a deep, satisfying, motivating relationship

I promise this year will be the best of your life if it is your best year spiritually.” - Stovall Weems

Fear drives me forward as I rush down a rocky path in Jerusalem, trying to sort things out even as dusk makes it harder to hurry. Am I really an American girl, cast back to the time of Jesus? Or a delusional Jewish teen, plagued with visions of a place called America, thousands of years in the future? I don’t know anymore. But I do know that something awful is about to happen to my Jesus: they’re going to arrest him tonight, and kill him. No one believes me; they think I’m crazy. So it’s up to me to save him, hurrying down this dark path toward Gethsemane, toward the turning point of all history, the attempt to kill Jesus . . . toward the uncertainty of whether I can actually manage to change the future. "A fast-paced novel packed with truth, tension and a touch of romance." Denver Catholic Register

Scripture tells us that the words of Jesus made people uncomfortable, confused, angry, repentant, worshipful, and riotous. Today, we read the words of Christ in a steady, even tone and find ourselves wondering if maybe we're missing something. Could it be that we've lost the emotional power of Jesus's words simply because we're too familiar with them? With incredible insight into the surprising and unsettling aspects of Jesus's parables and life, Matt Mikalatos reimagines familiar stories and parables in a modern-day setting, bringing alive for the contemporary reader all the controversy and conflict inherent in the originals. These emotional, sometimes humorous, and jaw-dropping retellings include the stories of the prodigal son, the good Samaritan, the lost coin, the feeding of the 5,000, the death and resurrection of Jesus, and more, asking provocative questions like What would be the modern equivalent of Jesus letting a "sinful woman" wash his feet? Who would be the hero of "The Good Samaritan"? How would Jesus tell the parable of the lost sheep in a city like Portland? In Christian history, no phenomenon is clearer than the recurrence of revivals. A passion for repentance sweeps across a city, and those who had been unaware of the supernatural are now keenly aware of God’s presence. Gripped by conviction of wrongdoing, they throw everything aside and desperately search for a way of salvation. Our spiritual instincts are often clouded by worthless pursuits, but God is working through His laws for the salvation of His people and for the world’s good. In *Revival Now*, learn about God’s laws of revival, including the laws of progress, spiritual growth, ebbing tide, fullness of time, awakening, variety, and more. Edited for today’s reader by Tom Phillips, *Revival Now*, originally written by James Burns in 1909 (*Revivals, Their Laws and Leaders*), traces common characteristics of past revivals, and shows how our world today is ripe for a new, profound move of God’s Spirit. Also included are inspirational prompts and prayers to help you experience Scripture and encounter Jesus. A Jesus awakening is here!

His family’s spiritual heritage originated in the great awakenings throughout the Southeast, beginning in Kentucky, in the early 1800s. Every day we encounter scores of people headed to an eternity without God. What will it take to wake us up to their desperate need for a Savior? While the earth's time clock ticks away, well-meaning Christians go to church, pay their tithes, and pray for foreign missionaries—going through the motions of Christian life as millions face an eternity without God. If heaven is indeed for real, and only those who have put their faith in Christ will be given entrance, shouldn't we be making the most of every opportunity to share the Gospel, the last great hope for all the world? Join pastor Ronnie Floyd as he challenges readers to face reality and begin a global movement to reach the lost. He says, "God is calling us to an awakening regarding his most urgent command found in Matthew 28:19 to go and make disciples of all nations. This Great Commission is the compelling charge given to us with divine authority by our Commander in Chief, Jesus Christ." If the Great Commission was so important to Jesus, why have we relegated it to casual discussions and an annual campaign in our churches? An awakening has never been more needed. In this challenging book, Pastor Floyd discusses key imperatives such as: Get honest with yourself Wake up your church Understand the urgency Talk Jesus daily Reach the

next generation now Minimize structure Think like never before This book presents a masterful understanding of the times and seasons of God and how we can partner with Him to see the Third and Final Church Reformation and the last Great Awakening sweep the earth. Pierce "An extraordinary work of theological commentary, *The Gospel of Thomas for Awakening*" is as informed and informative as it is inspired and inspiring." -James A. Cox, Editor-in-Chief, Midwest Book Review "From the very beginning there were two Christianities." So begins this remarkable work. While the rest of the Apostles dispersed to various areas of the Mediterranean world, the apostle Thomas travelled to India, where growing evidence shows that Jesus spent his "Lost Years," and which had been the source of the wisdom which he had brought to the "West." In *The Gospel of Thomas for Awakening*, Abbot George shines the "Light of the East" on the sometimes enigmatic sayings of Jesus recorded by his apostle Saint Thomas, revealing their unique and rich practical nature for modern day seekers for spiritual life. Ideal for daily study or group discussion. The Reverend Gerry Nangle says: "The chapters are quite short, each based on one or two sayings, making them ideal for daily study and contemplation or suitable as material for group discussion. This book can be read once or twice for its rich factual content, or many times for the spiritual challenges it raises within the reader's own mind and heart." While many books related to the Gospel of Thomas deal with historical or theological issues, Abbot George's approach is remarkably practical, dealing with how Jesus' words can be applied to make your life better and more spiritually rich. This is a must have book for spiritual aspirants, whatever their background. Jesus never said "Seek first" about any pursuit or purpose except the kingdom of God. But the church has essentially abandoned this central message, so that kingdom realities have become lost to us. Our neglect has been costly, because God's kingdom on earth—His cosmic initiative—has the authority and power to revolutionize our culture. This transformation occurs first within us and then around us, igniting the world with forgiveness, healings, miracles, righteousness, and peace. The reason most people today do not seek the kingdom is that they have not seen it. Once they truly see it, they seek and follow the remarkable vision they have glimpsed. This is because discovering the kingdom is not just information but an adventure in revelation and transformation. Well-known speaker and kingdom-seeker Jack Taylor invites us to be reintroduced to the kingdom of God and to experience the recovery of the kingdom gospel—leading to kingdom power, kingdom love, and the greatest kingdom harvest the world has ever seen. As the Church cries to God on Israel's behalf, the land of Israel will awaken and God will move powerfully among the Jewish people worldwide. How many times have you heard someone say, "I want to be close to God," or "I feel far from Jesus?" For many of us, we have been led to believe that our relationship with Jesus is based on proximity—a sliding scale of "near" or "far" based on the faithfulness of our spiritual devotion. But what if being "close" to you isn't good enough for Jesus? What if he wants to be closer than close? Instead of simply having a "personal relationship" with you, what if Jesus longs to be "perfectly one" with you instead? In this achingly bold and beautiful book, pastor, scholar, friend, and now author, Dave Hickman, invites you into his personal journey from striving to abiding, anxiety to peace, weariness to rest; from having a relationship with Jesus to awakening to the freedom of his union with Christ. Through careful

attention to Scripture, personal stories, and everyday examples, join Dave as he guides you into the depths of the mystery of your personal and corporate union with Christ. In doing so, you, too, can awaken to the wonder and freedom that is already yours in Christ. Presents the idea that we have everything we need to heal our lives, awaken to our God-given abilities and walk as Jesus taught us, always in Love. Builds a bridge between ancient mystical spirituality and a unique interpretation of the teachings of Jesus. Jesus still exists and is and has always been available to those who are devoted to him. This book is Jesus speaking from another dimension today. What we know about Jesus and what is obvious from the messages in this book is that Jesus is about love. His purpose in speaking to us today through these messages is to awaken the love within us that is our true nature. These messages are also intended to give you the experience of having a relationship with this wise and loving being we've known as Jesus the Christ, as he speaks to you as if you were sitting in his presence. The channeled messages from Jesus, which this book is based on, were part of weekly online video meetings, where Gina Lake and her husband, who is also a nondual spiritual teacher, give what they call Christ Consciousness energy transmissions. The channeled messages from Jesus were given before the transmission to prepare, teach, and inspire those who are there to receive the transmission. Many report feeling a transmission come through these channeled messages as well. The inner meaning of the parables of Jesus and their transformational wisdom for daily life are made accessible and applicable for every reader. This book features an in-depth examination of twenty parables and the teachings embedded in the stories and images, revealing their universal value for anyone seeking spiritual development. In decoding these core teachings, instructions and practical methodologies are uncovered for consciously living in the Presence of Holy beyond dogma and tradition. Firmly rooted in the reality of pain and suffering in his own life, a provocative new voice offers a catalyst to awakening one's five spiritual senses to experience heaven as a present reality here on Earth and not just a final destination. Simultaneous. Vicky Thompson has directly experienced the power of connecting with divine wisdom for leading a Spirit-driven life. "I lost my faith in God at a very young age," she writes. "Over the years, I tried many ways to move beyond these experiences, but my faith never returned. So at the turn of the millennium, I decided to try something new and ask God directly for help in healing myself. The response was overwhelming. As I found my faith, the divine model of awakening, illustrated through stories about Jesus, began to flow during my meditational writing with God." In *The Jesus Path*, she shares the wisdom revealed to her about Jesus' own 7-step divine model of awakening, by releasing fear and doubt and reconnecting with the wisdom of the higher spirit-self. Read mystical stories of Jesus' meditations with divine masters, conversations with his disciples, and new stories about healing the ancient people of Israel. Divinely inspired exercises, meditations, and affirmations provide us with ways to reawaken our connection with God and practice divine living every day of our lives. Book jacket. Jesus appears to be revealing Himself to Muslims through powerful dreams and visions throughout the Islamic world today, and the results are dramatic. Eleven years ago, Pastor Tom Doyle felt God calling him to leave the pastorate and become a full-time missionary in the Middle East and Central Asia. Through his extensive work in the region, which includes over 80 trips to places like Iran, Afghanistan, Iraq, Egypt, Syria, Israel, Lebanon, and Turkey, Tom has met and recorded the stories of former Muslims who were first introduced to Jesus through either a dream or a vision that powerfully opened their hearts to become followers of Christ. Though they live in the most dangerous places in the world for people who leave Islam and embrace Christ, their passion for

the Savior is contagious and inspirational. These are never-before-told stories from the front lines of the world of Islam. Through these unexplained supernatural occurrences, more Muslims have become believers in the last ten years than in the last 15 centuries of Islam. Why would God use dreams to reach the Muslim world? Can dreams and visions be trusted? What happens after these people experience a dream or vision? In *Dreams and Visions*, Tom Doyle takes the reader deep into the heart of the Middle East to meet believers who have been directly touched by the very hand of God. The early church turned the world upside down. With only a few followers of Jesus filled with the Holy Spirit, the gospel message of love and transformation spread like wildfire; it could not be contained or held back. What was the secret—the “Jesus way”—behind such a radical movement of the gospel? And what would it take for a spiritual renewal to happen today—in your church, your community, your world, and your own heart? Gerard Long, president of Alpha USA, has seen that spiritual awakenings tend to occur when God's people understand their calling and prepare through prayer, personal renewal, and action. In *Awakening*, he offers a compelling vision for a “Jesus way” of widespread spiritual renewal, equipping you to better love people into the Kingdom of God. You'll become empowered to live the abundant life given to us in Christ—and step out in faith to fulfill God's calling. Cross, the principal symbol of the Christian religion, recalling the Crucifixion of Jesus Christ and the redeeming benefits of his Passion and death. The cross is thus a sign both of Christ himself and the faith of Christians. Why did Jesus have to die? What can be learned from the historical account? How do we make sense of this tragedy or any tragedy? These are all important questions that are answered directly in this book. It's not meant to be consumed all at once, but to be absorbed over forty days, one day at a time, during the lent season. Let the author open your eyes, your mind, and your heart to healthy new habits of reflection and devotion as you meditate on the most important reality of life- that God loves you so much he was willing to die for you on a Roman cross. It could very well be the forty days that change your world. 'Renew yourself' is about learning how to unlock your destiny. It is about encouraging people to be in the driving seat of their journey, as you are holding keys to changing and renewing your life. It teaches about various principles of stepping out of the old and stepping in to the new. The book will teach you about taking the necessary steps to change in order to make your life better. It is about how you can Rise and Shine irrespective of your past, what you went through or the storm you may be facing. It will teach you how to appreciate yourself and how to be the best. You will be encouraged to reach for your Dreams. You will be encouraged to live your Purpose.

Awakening By: Joy Ntiense Etim

The book *Awakening* explores a personal revival in the life of a devout Christian. Joy Ntiense Etim examines how to awaken and practice the type of lifestyle that is acceptable to Jesus Christ. Through her own experiences and observations, Joy Ntiense Etim has witnessed the ways in which many Christians fall short. Often, the lives of many Christians are not lived in reflection of Christ. *Awakening* is a guide towards meeting Christ's example in forgiveness, compassion, and humility. Hello. my name is Julie and I am a seer in the Spirit of the Christ. I have received over four hundred fifty messages of warnings and of divine guidance in the last six years. 'The Awakening-In The Light Of Christ, ' is the fourth book of the 'In The Light Of Christ' series. The title of this book was given to me in and through Jesus. 'The Awakening' is what is taking place now within the heart of mankind. 'The Veils' are being lifted and 'The Reckoning' is at hand as 'The Awakening' of mankind takes its place in this world. 'The New Beginning' follows. This is not end-times as proclaimed by many, however, it will parallel Revelations in the New Testament Bible. There is a lot to atone for. All unfinished business of the near and distant past is culminating in our time-period now. Man is under Universal Law of 'we reap what we sow.' We have been and will experience catastrophic events in the way of earth changes, war, and worldwide economic collapse and more. This is taking place now in the Spirit as well as in our physical world and God wants all of mankind, to know what is and will transpire. Rome has risen again and is known as the United Nations. It will fall once again. This book 'The Awakening' highlights some of the prophecies that have been fulfilled recently as well as new prophetic warnings. God wants man to return to Him and is always sending His Spirit to guide us to a better place. The following is an excerpt of a message from Jesus on 31 May 2019. Jesus Speaks:

Good morning my child of the Light of Christ and to all people this day of glory to our Father God. Time is truly of the essence; no beginning and no end. It just is. Through our desire to be, we must all remember and keep in heart that we are at One with our Father God. Know that your day begins within His essence. He is with you always. Yes, it is true that I am His Son, but it is true that you are His children. He has Me to speak to you at this moment so that you may feel His touch of presents and warmth around each of you. So many of you question His Beingness, His reality of the truth, His knowingness of all things. When you have many thoughts and questions of why this or why that, each and every one of you desire a world outside of His. He so granted your desire, and with that desire He, our Father God, opened the gates of Heaven and let each and every one of you create your world that became your Heaven and hell. Our Father gave each of you the free will of creation and to be responsible for its progress of birth, and I say to each of you as I have said so many times: Look within your heart where God so is divinely radiating His love within you. Open the door to the Light of Christ. It is within the Light of Christ, it is within the heart, the seat of love, that all action and creation is. It lies not within your personal desires of this world earth. Your feelings to please your personal agenda of pleasure of this earthly world is only temporary. It is not everlasting life of love. It exists through your desire to be. I have walked among you through terror, sickness, hardship, thievery, killing of your brothers, sister, mothers or fathers, your pleasures to be or not to be, your uncertainties and moments of despair, your weepings of loss, your deaths of one another, your greed and power to control the world, your beliefs and non-beliefs, your sorrows that you could or not overcome. I say to each of you that love is the key that opens the true world of the heart that fills the days and night with its bliss of wonderment and ecstasy, the world of Heaven upon earth. My people, you are My brothers, My sisters, we are but One. And, in that Oneness that we are, I say I love each and every one of you with all my heart: In this, I shall always remain and be with you no matter your choices or decisions to be. But I know that I and My Father are One and He is always with each of you even to the end of your journey in life. Be at peace, eternally, Jesus Do you feel trapped in a tomb of regret, doubt, or fear? Are you tripped up by patterns and behaviors you need to leave behind? Just as Jesus called Lazarus from darkness, He is calling you to come out of the false beliefs and habits that keep you from receiving His unconditional love. He is calling you to know deep in your spirit that God not only loves the world—He loves you. It's time to "come forth!" This eight-session study guide is designed for use with Joanna Weaver's book Lazarus Awakening and the separately available DVD curriculum set, filmed on location in the Holy Land. Join Joanna as she draws you deeper into the historical and spiritual truths we learn from the story of Lazarus: a friend called out from death into the life-giving arms of Jesus. · Designed for both individuals and groups. · Also available: companion DVDs, filmed in the Holy Land and featuring eight 15- to 18-minute sessions. Dawson provides readers with a guide to awakening to God via discovering Jesus through the Scriptures. (Christian) What if the presence of God became so real in people's hearts that it revived the church and ushered in the next Jesus Movement? From the Upper Room in Jerusalem to the Moravian community in Germany, God's personal presence always changes everything. Awaken the Dawn chronicles the story of a movement of day-and-night worship, prayer, creativity, and mission that is impacting America and the nations by bringing the presence of God into our cities and campuses. This story is part of the same movement David pioneered when he served as the greatest king in Israel's history and that the Book of Acts chronicles as God's presence filled communities. It's time for a generation to find their voice in the symphony of creative worship, prayer, and gospel proclamation that God is orchestrating. Jesus' way of changing the world is surprising and exhilarating and is certainly the opposite of the systems of the world. This book will help you find your part in Jesus' plan by discussing: What God's presence is and how it changes our hearts Incredible stories of God's activity in the nation and what He is saying through them God's values and how He brings transformation and mercy Why Jesus is central to all that the Holy Spirit is doing This book will equip you to be a part of Jesus' astounding storyline for a great spiritual awakening. It will give you hope and keys on how God is unfolding his mission of mercy and transformation and how you can be a part of it. In Matthew chapter 7, Jesus explains that in eternity,

there will be many people who stand before Him and call Him, "Lord." But He will tell them plainly, "I never knew you. Depart from me . . ." Nothing is more important during our time on the earth than to be sure that we know Jesus Christ personally. Awakening: Coming Out of Cold, Dead Religion and into a Relationship with the Living God is the story of Steve Russell, a third-generation preacher's kid. Steve grew up going to church every Sunday. He prayed the sinner's prayer. He was even baptized! But in his 40s, something truly amazing happened. He began to experience the Living God. Through those experiences, Steve's eyes were opened. He came to realize that he had never truly known Jesus—all he had ever known was religion. Jesus invited Steve into a personal relationship, and Steve said yes. From the moment Steve made this decision, he began to live out one supernatural experience after another after another—all handiwork of the Living God! In Awakening, you'll read about Steve's near-death experience, his angelic visitation, miraculous healings, many supernatural answers to prayer, and all the other ways God begins to show up in a person's life once they come into a personal relationship with Jesus. If you have been in church your whole life, but have never personally experienced a miracle, there's a chance you need an awakening. If you've never seen the supernatural power of God manifest in your daily life, maybe it's time to consider that an active, personal relationship with Jesus might be what's missing—and it's freely available to you right now! "The energy, power, and purpose for a cogent revival and a 21st century great awakening are found in [John 17:21]. Even today, Jesus prays for us to be unified as the Body of Christ. As all Christians are called to be ambassadors for Christ, we must present to the world actions for which the spiritually dead will know that we are Christians by our love. Though theologies and styles of worship will be different, we must lift up the name of Jesus, proclaim the Good News, and work intentionally for racial and denominational unity. These actions are the witness that Jesus proclaims will allow the world to believe that he is the King of kings and the Lord of lords. It is time to let the 'city on a hill' shine"--Back cover This book is the mirror to my soul. It tells about how I felt when certain things came into my life. It also explains how I saw the things that God the Father created. It is a depiction of my feelings when I received the Spirit of the Lord and let Him lead me down the path of righteousness. I have been writing this book for over twenty years. It did not start out as a book, I first was just writing down my spiritual thoughts that the spirit told me to write in journals that I kept. The Spirit of the Lord would wake me from a sound sleep and through thoughts put these words into my head. My children are the ones who encouraged me to turn these writings into a book. I thought that was flattering and I considered doing so, but the spirit did not give me the go head until now. I guess He was not through telling me what to write. I kept reading my bible and going to church and getting closer and closer to my savior Jesus Christ. I literal fell in love with God the father and Jesus Christ the son. When I received the Holy Spirit I didnt know what was happening to me. I felt a burning sensation, as if I was on fire and I saw red when I closed my eyes. I went into a deep sleep and when I awaken in the morning I felt brand new. I wanted to pick up the bible and start reading what thus sayeth the Lord. That was the best feeling I have ever had, not even when I gave birth to my two children, did I feel that sensation. Getting to know God and feeling His spirit within you is the greatest feeling in the world. I was taught who God the father is and why Jesus was sent to die for us. I learned how to live a peaceful and joyous life and to keep them both in my sight, so that when I came to the light I could follow them. I was taught that I could receive eternal life, if I keep the faith, believe that Jesus Christ is the Son of God. Confess that He died for my sins and turn from my wicked ways; be water baptized and spirit filled, than I would be saved. This is a wonderful feeling to have. I hope I give whoever reads this word inspiration to get to know the Father God and the son Jesus Christ the anointed one and let the spirit come in and have His will so that you too can experience the same feeling that I have. Reign: Awakening a Young Generation to King Jesus is a student ministry curriculum designed for use in youth camps, youth retreats, DiscipleNow Weekends, church Bible classes, discipleship groups, and family studies. The curriculum includes four small-group Bible studies and four personal devotionals to accompany the studies. Reign immerses teenagers in a study of a facet of Jesus Christ that has received little attention. That facet is Christ's majestic glory and preeminence as He reigns from the

throne of heaven. Through this study many teenagers will see and embrace Jesus in a way that is entirely new for them. They will reflect on His preexistence with triune God, hear Him speak creation into existence, see announcements of His glory in the Old Testament, observe the cross as the high watermark of Christ's supremacy, watch Him rise from the grave and ascend to heaven, celebrate as God the Father enthrones the Son at His right hand, and join the heavenly throng in singing, "King of kings and Lord of lords!" The Reign study directly confronts what many leaders believe is the primary shortfall of teenagers in the church today--a me-centered faith some call Moral Therapeutic Deism. Church teenagers do love Jesus, but they tend to see Him as a nice friend or even a mascot. They keep Him in the background of their lives, with one exception. When they face some problem or obstacle, they fully expect Him to show up and poof their troubles away. He is relevant only when He is making their lives happier and problem free. The antithesis to "It's all about me" is the truth "It's all about the glorious King Jesus." Teenagers who understand, embrace, and follow Christ as supreme move from "Jesus is my mascot" to "Jesus is my Monarch." Titles of the Four Small-Group Sessions Session 1: Little Jesus in My Pocket Session 2: Who Jesus Is Today Session 3: Christ Enthroned Changes Everything Session 4: Waking Up the World to Christ Reign: Awakening a Young Generation to King Jesus is a study that could not be more timely. For the glory of the Father and by the power of the Spirit, it is time to rivet the eyes of teenagers on the majesty of their King. A Passionate, Prophetic Summons to Prayer and Fasting We are poised at a key moment in history. Amidst pain and chaos, we can turn the tide of evil in our lands. Here he equips you with the dynamic, practical tools you need to answer the call of countercultural consecration. Using Jesus as the role model, he reveals that 40 days of prayer and fasting always precede breakthrough, revelations of God's glory, breakage of demonic hindrances, and more. As we join together in fasting and intercession, we'll see victory in the critical issues of our day--and we'll awaken the nations for Christ. Global revival and transformation is imminent. Will you answer the call? Discover the Jewish Jesus! Schneider takes you on a personal journey, revealing how the Lord has appeared and has spoken to him over the past 30 years. You will vicariously experience some of the challenges he has faced as a Jewish believer in Messiah, including being kidnapped by a famous deprogrammer who hoped to destroy his faith in Jesus. More importantly, he shares lessons that the Holy Spirit has taught him, causing you to both consider and confirm your own beliefs. In this true adventure, you will discover how the Old and New Testaments connect like a hand in a glove! This book has been a long time coming. It consists of years of study, experience, prayer and devotion. We retained the services of a publisher for several thousand dollars but after four years and no proof or book we decided the message is more important than the money therefore we decided to absorb the loss and self publish a book that can and will be used of God to bring true revival hope and direction to a confused world. Forward written by Apostle Don Stewart, Dr. David A A Mungo, Ph.D. and Mark Crouch The Greatest Philosopher Who Ever Lived Obviously, Jesus did not teach at Pontifical Gregorian University or at Harvard or at Paris-Sorbonne or at Georgetown or at Oxford or at Salamanca or at any other university. He did not write some kind of a Platonist Republic, or an Aristotelian Ethics or Logic, or a Kantian Critique of Pure Reason, or a Hegelian Phenomenology of Spirit, or a Cartesian Discourse on the Method, or a Kierkegaardian Either/Or. He never quoted any philosopher from any part of the world and any culture. Yet, he surpassed them all. His philosophy was the way to the fullness of life, as he clearly indicated, "I came that they might have life and have it to the full." This fullness of life is what this book all about. It is an invitation to rediscover, hit it off with, and stick with the Jesus of the Gospel—the divine guide for the higher consciousness, the master instructor for the fullness of life curriculum, and the greatest philosopher who ever lived for a meaningful and truly worthy life. Are you perplexed by the direction the Seventh-day Adventist Church and its members are taking on principles that the church has upheld for years? Jonathan Mukwiri feels that many members of the remnant church are shifting their position on various topics in these last days to closely mirror worldviews and philosophies. Awakening the Remnant is a call to Seventh-day Adventists to return to the truth in such areas as dress, worship, diet, and obedience to the law as clearly stated in the Bible and the Spirit of Prophecy. As the remnant church, Seventh-day Adventists have the knowledge, but its members must hold true to the Word of God if they are to stand until Jesus' Second Coming. Are you ready for Christ's soon return? Be prepared by studying the Bible and the inspired writings of Ellen G. White. This book quotes extensively from both in an effort to steer members of the remnant church back on the straight and narrow way of truth. God is moving today!
