Debut Historical Suspense Novel Wins IPPY Award for Best "Literary Fiction 2014" Stolen art, love, lust, deception, and revenge paint the pages of veteran journalist Lisa Barr's debut novel, *Fugitive Colors*, an un-put-down-able page-turner. Booklist calls the WWII era novel, "Masterfully conceived and crafted, Barr's dazzling debut novel has it all: passion and jealousy, intrigue and danger." *Fugitive Colors* asks the reader: How far would you go for your passion? Would you kill for it?

Steal for it? Or go to any length to protect it? Hitler's War begins with the ruthless destruction of the avant-garde, but there is one young painter who refuses to let this happen. An accidental spy, Julian Klein, an idealistic American artist, leaves his religious upbringing for the artistic freedom of Paris in the early 1930s. Once he arrives in the "City of Light," he meets a young German artist, Felix von Bredow, whose larger-than-life personality overshadows his inferior artistic ability, and the handsome and gifted artist Rene Levi, whose colossal talent will later serve to destroy him. The trio quickly becomes best friends, inseparable, until two women get in the way—the immensely talented artist Adrienne, Rene's girlfriend with whom Julian secretly falls in love, and the stunning artist's model Charlotte, a prostitute-cum-muse, who manages to bring great men to their knees. Artistic and romantic jealousies abound, as the characters play out their passions against the backdrop of the Nazis' rise to power. Felix returns to Berlin, where his father, a blue-blooded Nazi, is instrumental in creating the master plan to destroy Germany's modern artists, and seeks his son's help. Bolstered by vengeance, Felix will lure his friends to Germany, an ill-fated move, which will forever change their lives. Twists and turns, destruction and obsession, loss and hope will keep you up at night, as you journey from Chicago to Paris, Berlin to New York. With passionate strokes of captivating prose, Barr proves that while paintings have a canvas, passion has a face—that once exposed, the haunting images will linger . . . long after you have closed the book. The Hollywood Film Festival awarded *Fugitive Colors* first prize for "Best Unpublished Manuscript" (Opus Magnum Discovery Award). And then she was gone. Now, her mother Laurel Mack is trying to put her life back together. It's been ten years since her daughter disappeared, seven years since her marriage ended, and only months since the last clue in Ellie's case was unearthed. So when she meets an unexpectedly charming man in a café, no one is more surprised than Laurel at how quickly their flirtation develops into something deeper. Before she knows it, she's meeting Floyd's daughters—and his youngest, Poppy, takes Laurel's breath away. Because looking at Poppy is like looking at Ellie. And now, the unanswered questions she's tried so hard to put to rest begin to haunt Laurel anew. Where did Ellie go? New York Times bestselling author Lisa Papademetriou delivers her most fantastical, emotional story yet in this tale of a young girl's journey into her dreams to save her brother from the darkness that surrounds him. Perfect for fans of *A Wrinkle in Time*, *The Phantom Tollbooth*, and *Echo*. Every night, your sleeping body stays in your bed, while the you of you travels deep beneath the earth to ride the complex rails of the Dreamway....

Stella Clay thought it was just another ordinary day at her drab gray school. Then her twin brother, Cole, is attacked by a shadowy creature on their way home, and Stella's world turns positively peculiar. Suddenly, her brother seems different, almost dimmer, like a candle about to flicker out. And then a talking mouse shows up in her bedroom. Stella discovers that the real Cole has been taken prisoner in the Dreamway.

Determined to find him, she sets out with the “help” of a stuck-up rodent, a nervous dragonfly, and a mysterious pirate, and finds her way to the darkest edge of the Dreamway to bring her brother home...before he's trapped forever. In this allegorical exploration of childhood depression, with a moving author note that follows, Lisa Papademetriou gently and safely illustrates for her readers the emotional effects of anger, anxiety, and insecurity—and illuminates a pathway to hope and recovery. “A dead-serious thriller (with a funny bone)” (The New York Times Book Review), from the author of the New York Times bestselling Spellman Files series, comes the story of a woman who creates and sheds new identities as she crisscrosses the country to escape her past. Forty-eight hours after leaving her husband’s body at the base of the stairs, Tanya Dubois cashes in her credit cards, dyes her hair brown, demands a new name from a shadowy voice over the phone, and flees town. It’s not the first time. She meets Blue, a female bartender who recognizes the hunted look in a fugitive’s eyes and offers her a place to stay. With dwindling choices, Tanya-now-Amelia accepts. An uneasy?and dangerous?alliance is born. It’s almost impossible to live off the grid in the twenty-first century, but Amelia-now-Debra and Blue have the courage, the ingenuity, and the desperation, to try. Hopscotching from city to city, Debra especially is chased by a very dark secret. From heart-stopping escapes and devious deceptions, we are left to wonder...can she possibly outrun her past? The Passenger’s white-knuckled plot and unforeseeable twists make one thing for certain: the ride will leave you breathless. “When the answers finally come, they are juicy, complex, and unexpected. The satisfying conclusion will leave readers rethinking everything and immediately turning back to the first page to start again. Psychological suspense lovers will tear through this thriller” (Library Journal, starred

The compelling, poignant true stories of victims of a notorious adoption scandal—some of whom learned the truth from Lisa Wingate’s bestselling novel *Before We Were Yours* and were reunited with birth family members as a result of its wide reach. From the 1920s to 1950, Georgia Tann ran a black-market baby business at the Tennessee Children’s Home Society in Memphis. She offered up more than 5,000 orphans tailored to the wish lists of eager parents—hiding the fact that many weren’t orphans at all, but stolen sons and daughters of poor families, desperate single mothers, and women told in maternity wards that their babies had died. The publication of Lisa Wingate’s novel *Before We Were Yours* brought new awareness of Tann’s lucrative career in child trafficking. Adoptees who knew little about their pasts gained insight into the startling facts behind their family histories. Encouraged by their contact with Wingate and award-winning journalist Judy Christie, who documented the stories of fifteen adoptees in this book, many determined Tann survivors set out to trace their roots and find their birth families. *Before and After* includes moving and sometimes shocking accounts of the ways in which adoptees were separated from their first families. Often raised as only children, many have joyfully reunited with siblings in the final decades of their lives. Christie and Wingate tell of first meetings that are all the sweeter and more intense for time missed and of families from very different social backgrounds reaching out to embrace better-late-than-

never brothers, sisters, and cousins. In a poignant culmination of art meeting life, many of the long-silent victims of the tragically corrupt system return to Memphis with the authors to reclaim their stories at a Tennessee Children's Home Society reunion . . . with extraordinary results. Advance praise for *Before and After* "In *Before and After*, authors Judy Christie and Lisa Wingate tackle the true stories behind Wingate's blockbuster *Before We Were Yours*, of the orphans who survived the Tennessee Children's Home Society. With a journalist's keen eye and a novelist's elegant prose, Christie and Wingate weave together the stories that inspired *Before We Were Yours* with the lives that were changed as a result of reading the novel. Readers will be educated, enlightened, and enraptured by this important and flawlessly executed book."—Pam Jenoff, author of *The Orphan's Tale* and *The Lost Girls of Paris* Chronicles the lives of New York intellectual Esther Murphy, celebrity ephemera collector Mercedes de Acosta, and British *Vogue* editor Madge Garland and their lifestyles, influence on fashion, and celebrity friendships.

Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. *Louisiana, 1875*: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a

now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. We all feel many different emotions every day. For young children, those feelings can be extra strong. And sometimes, children need help finding the words to describe how they're feeling. In 1867, Lisa See's great-great-grandfather arrived in America, where he prescribed herbal remedies to immigrant laborers who were treated little better than slaves. His son Fong See later built a mercantile empire and married a Caucasian woman, in spite of laws prohibiting interracial marriage. Lisa herself grew up playing in her family's antiques store in Los Angeles's Chinatown, listening to stories of missionaries and prostitutes, movie stars and Chinese baseball teams. With these stories and her own years of research, Lisa See chronicles the one-hundred-year-odyssey of her Chinese-American family, a history that encompasses racism, romance, secret marriages, entrepreneurial genius, and much more, as two distinctly different cultures meet in a new world. Allie has been haunted for two decades by what she and the others did, and by the fact that she never told a soul. The dark secret has eaten away at her, distancing her from everyone she loves, including her husband. Because she wasn't punished by the law, Allie has punished herself, and it's a life sentence. Now, Allie stands on the precipice of losing everything. She's ready for a reckoning, determined to learn how the prank went so horribly wrong. She digs to unearth the truth, but reaches a shocking conclusion that she never saw coming--and neither will the reader. A deeply emotional examination of family, marriage, and the true nature of justice, *Someone Knows* is Lisa Scottoline's most powerful novel to date. Startling, page-turning, and with an ending that's impossible to forget, this is a tour de force by a beloved author at the top of her game. Two mismatched teenage girls must find their way back home to New Jersey after being zapped into the pages of a fantasy novel. After spending the past two years in and out of Seattle mental institutions, unable to remember the details of her son's

disappearance, Ava returns home and, secretly visiting a hypnotist, discovers that her son may still be alive. Frannie is desperate to get the attention of her crush, Jeffrey, but too shy to make a move. Frannie's gay best friend, Marcus, advises her to get the ball rolling by chatting with Jeffrey online, but Frannie won't type a word. Marcus takes over at the keyboard, and soon his plan is a success! But the more he chats, the more it seems Jeffrey is falling for Marcus, not Frannie. Whose romance is this, anyway? Bestseller and author of the popular middle grade series *Confectionately Yours* Lisa Papademetriou is back with a magical, page-turning adventure for readers of all ages—a touching tale about destiny and the invisible threads that link us all, ultimately, to one another. Kai and Leila are both finally having an adventure. For Leila, that means a globe-crossing journey to visit family in Pakistan for the summer; for Kai, it means being stuck with her crazy great-aunt in Texas while her mom looks for a job. In each of their bedrooms, they discover a copy of a blank, old book called *The Exquisite Corpse*. Kai writes three words on the first page—and suddenly, they magically appear in Leila's copy on the other side of the planet. Kai's words are soon followed by line after line of the long-ago, romantic tale of Ralph T. Flabbergast and his forever-love, Edwina Pickle. As the two take turns writing, the tale unfolds, connecting both girls to each other, and to the past, in a way they never could have imagined. A heartfelt, vividly told multicultural story about fate and how our stories shape it. Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had to be at work in two hours, so I had to get some wine. I inched out of bed and walked naked toward the kitchen, my stomach lurched with the undeniable rumble of rising vomit, and I dashed to the bathroom with my hand pressed against my mouth. I vomited violently and

then sprawled out across the cold tile floor. #2 I felt sicker than usual. My head was heavier and murkier. I could feel the anxiety in my guts and bones. I was going to die, I thought. I had killed myself. I called my ex-boyfriend, Mark, and asked for help. #3 I was finally going to do something about my life. I needed to go to detox or rehab for alcohol or something, but I didn't know what to do or where to go. I called my doctor and explained that I was drinking all the time and getting sick. He suggested two hospitals that would accept my insurance for detoxification treatment. #4 I had to tell my parents that I was an alcoholic, and I was afraid they would not support me if they knew the truth. I was afraid that if they knew I was an alcoholic, they would view me as weak and untrustworthy. Mieka Baker just wants to be normal. It's tough enough that her mom left a few years ago and that her artist dad decorates the house solely with "treasures" from the "vintage" store (read: all their furniture is made out of plastic) but it's just too much when Mieka and her dad have to leave Boston to go to spend the summer with her sick grandmother in Texas—someone Mieka has never met. Grandma Baker isn't just brutally honest, she's brutal. She tells Mieka she's fat, frumpy, and basically unwanted. It's all too much to handle, especially when she has to stay with her Aunt Kate's family. The most normal family ever. Aunt Kate stays at home with the kids (where IS Mieka's mom anyway?), Uncle Dave wears a suit to work, cousin Mark is a genius and Greta—well, she's Mieka's age but that's where the similarity ends. She's blond, beautiful, fit, friendly, popular and practically perfect. But as the summer progresses and Mieka learns a thing or two about herself (hey, she can actually learn to enjoy herself at camp, even if it is Bible camp and she happens to be a bit chubbier than every other camper there) and her family members she realizes that there's no such thing as normal. That even

though she and her dad aren't a conventional family and aren't rich and don't go to church they are incredibly lucky to have each other and to have love. And even the perfect kids seem to be chasing normal too.
