Nicholas in Trouble Jul 14 2022 The fifth book in the series about the much-loved cheeky French schoolboy and his friends. In this new collection of adventures, things are never easy for Nicholas and his gang: the shopkeeper won't let them buy chocolate, their teacher won't let them play Geoffrey's fantastic new game and Jeremy is none to pleased about the appearance of his new little brother. This international classic in children's fiction by Jean-Jacques Sempé (b.1932) and René Goscinny (1926 - 77) is now available to English-speaking children worldwide in a delightful translation by Anthea Bell. It features 16 stories written by one of the most successful children's authors of all time, with illustrations by one of today's best-loved illustrators. Aimed at readers from 7 upwards, these stories will be enjoyed by adults and children alike.

User Interface Programming for Games Mar 30 2021 The user interface is the bridge between players and the game universe, it is the bidirectional flow of information from realtime simulation systems to the player's mind. As games have evolved, so has the need to develop intuitive, responsive and visually stunning ways for the player to interact with the game universe. User Interface Programming for Games aims to give programmers the core knowledge behind modern user interface development, provide useful techniques and recipes for well known user interface elements and insights into many of the different areas in which user interface programmers ultimately venture in the development cycle of a game. The best tool programmers can have at their disposal is a solid understanding of the mathematics and graphics programming concepts that are the foundation under any user interface system, this book explains it in a way that is relevant to user interface and game programmers alike.

**Hold Fast Your Crown** Sep 23 2020 "A story of madness, art, alcohol and creativity...elegantly translated...vivid." —New York Times An exasperated writer obsessed with American cinema embarks on an increasingly bizarre journey in this heady, engrossing novel. A man writes an enormous screenplay on the life of Herman Melville. Not a single producer is interested in it. One day, someone gives him the phone number of the great American filmmaker Michael Cimino, legendary director of The Deer Hunter and Heaven's Gate. A meeting is arranged in New York, and Cimino reads the manuscript. What follows is a series of crazy adventures through Ellis Island, the Musée de la Chasse in Paris, a lake in Italy. We run into Isabelle Huppert, Diana the hunting goddess, a Dalmatian named Sabbat, a diabolical neighbor, and two shady characters with conspicuous mustaches. There's also a pretty PhD student,

an unpleasant concierge, and an aggressive maître d' who looks like Emmanuel Macron... This improbable, insightful tale bridges the divide between cinema and literature in unexpected ways that are at once gratifying and profound.

**Pour Le Sport** Nov 06 2021 This edited volume gathers together studies examining various aspects of physical culture in literature written in French from Europe and around the Francophone world. We define physical culture as the systematic care for and development of the physique, and interpret it to include not only sport in the modern sense, but also all the athletic activities that preceded it or relate to it, such as bodily forms of exercise, leisure, and artistic creation. Our essays pursue diverse interpretive approaches and focus on texts from a wide variety of periods (medieval to the present) and genres (short stories, novels, essays, poetry) in order to consider the fundamental-yet highly neglected-place of physical activities in literature and culture from the French-speaking world. Some of the questions the essays explore include: Does the genre sports literature exist in French, and if so, what are its characteristics? How do governments or other political entities mobilize sports literature? What role do narratives about sports-especially the creation of teams-play in the construction of national, regional and/or local identities? How is physical culture used in literary works for pedagogical or ideological purposes? To what extent do sports performances provide a metaphorical and figurative discourse for discussing literature and culture?

**Encyclopedia of French Film Directors** Dec 07 2021 Cinema has been long associated with France, dating back to 1895, when Louis and Auguste Lumi\_re screened their works, the first public viewing of films anywhere. Early silent pioneers Georges Méliès, Alice Guy Blaché and others followed in the footsteps of the Lumi\_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In *Encyclopedia of French Film Directors*, Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one-timers, nearly 3,000 directors are cited here, including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary, including dates and places of birth and death; information on the individual's education and professional training; and other pertinent details, such as real names (when the filmmaker uses a pseudonym). The entries also provide complete filmographies, including credits for feature films, shorts, documentaries, and television work. Some of the most important names in the history of film can be found in this encyclopedia, from masters of the Golden Age\_Jean Renoir and René Clair\_to French New Wave artists such as François Truffaut and Jean-Luc Godard.

**French Short Stories for Beginners** Nov 25 2020 Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers; we know this. This is why we've created French Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designed for you, the student. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged and interested as well as using vocabulary that you will actually use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in French, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a French speaker, and we'll certainly make that dream come true! We recommend this book for French learners at A2 level and above as it is designed for students with a basic understanding of French. So look no further! Pick up your copy of French Short Stories for Beginners Vol.2 and start learning French right now!

**A Little Bit of France** Aug 23 2020 Renowned New Yorker cover illustrator Jean-Jacques Sempé illustrates the quirky charm of France's countryside and small towns with his signature style and gentle sense of humor and irony. His drawings are famed for their striking use of pen and ink, their inimitable style, and most of all for their satire and tragicomic vision. The 78 drawings in this charming portfolio are sweet and sentimental. They somehow manage to be gentle even when the topic is difficult. They probe the quirkiness of life in provincial France and wordlessly pinpoint the quintessential features of modern French life, creating a world peopled by bemused psychoanalysts, baffled lovers, dreamy couples, and long-faced aquiline-nosed depressives yearning for universal truths. Not only is the volume a tribute to France, but it celebrates those who are ready to see the comic and lighthearted beyond life's problems and their own egos.

Le nuove storie del piccolo Nicolas Dec 15 2019 «Se il Piccolo Nicolas fosse comparso sul palcoscenico a teatro, gli spettatori avrebbero applaudito così tanto, che il simpatico monello avrebbe dovuto regalare un bis. E dunque, ecco a voi il bis!». Scrive così Anne Gosciny, figlia del grande René, nella presentazione al secondo volume delle storie inedite di Nicolas. È stato infatti grazie al successo del primo volume di inediti che la popolarità del Piccolo Nicolas è esplosa a livello planetario: trentadue traduzioni in ogni angolo del pianeta, un film di successo di cui si annuncia un primo sequel in primavera, una serie animata in tv, e un profluvio di giocose attività sul web. A bissare quell'exploit ci pensano oggi queste quarantacinque storie nuove di zecca, concepite in origine dagli autori per le testate francesi «Sud-Ouest Dimanche» e «Pilote», negli anni tra il 1959 e il 1965. Uscendo dalla polvere degli archivi dopo oltre cinquant'anni, una decina di esse si è ritrovata però malconcia, sicché il grande maestro Sempé ha ripreso in mano la matita e le ha illustrate appositamente per questa raccolta: «Nicolas è ormai una star, e ha preteso un trattamento da star», commenta ancora simpaticamente Anne Gosciny.

**Cross-Ties** May 20 2020 It's almost Thanksgiving—so why don't any of the Pine Hollow riders feel thankful? Lisa Atwood is hoping to spend a relaxing Thanksgiving holiday in California. But it's hard to stop thinking about her complicated relationship with her boyfriend, Alex—not to mention the loss of her beloved horse Prancer. Then her brother arrives with a big surprise, throwing the family into turmoil and making Lisa question what she has to be grateful for. Back home, Stevie Lake is no longer grounded, but her friends aren't around to hang out with anyway. And Carole Hanson is just beginning her punishment for cheating on a test—no riding, no Pine Hollow, no socializing. The girls are going to have to search long and hard to find some gratitude this Thanksgiving.
