How Not to Sell Jul 02 2021 You make the right calls all day, you deliver your pitches flawlessly, and you donate to every one of your potential client's kid's school fundraisers. But you still aren't closing deals. What gives? Well, you're clearly screwing something up, and it's time you find out what it is. It's frustrating. Day in and day out, you are putting in the work with twelve-hour days and trips across town to meet clients. You study up on your competitors and rehearse your pitches every chance you get. But still, you aren't anywhere near your sales targets, and your bottom line hasn't budged since you started. Chances are it's not about what you're doing right--it's about what you're doing wrong. **How Not to Sell** is filled with interviews and stories of people who were being held back by the things they didn't realize were working against them. The workplace is a minefield filled with politics and unspoken rules. This book is here to teach you: How you're screwing it up and what to do about it How other people screwed it up before figuring it out What you should stop doing immediately What you should be doing more of Now, stop panicking and letting frustration hold you back. This book is the tool you need to get out of your sales slump and make your numbers!

Dorothy Parker's Elbow Jan 20 2023 Previously considered the domain of bikers and a rite of passage in the services, tattoos have crawled from society's fringes and onto the ankles of starlets and the biceps of bankers. In this volume, stories from writers including Sylvia Plath and Ray Bradbury capture the tattoo experience.

Inside the Ropes Nov 18 2022 Most of us will never know what it's like to parachute out of a Cessna, tend goal for the Boston Bruins, burn rubber on a NASCAR track, scale Everest, or quarterback the Detroit Lions. So it's our good fortune when dauntless literary journalists actually play the sports they cover--returning with firsthand tales from "inside the ropes." Here, in the tradition popularized by George Plimpton, is participatory sportswriting at its finest and most far-out. Editor Zachary Michael Jack fields a dream team of today's best sports journalists, hotshots, and rising stars in search of the game behind the.

Drinking, Smoking and Screwing Feb 21 2023 Before the notion of "political correctness" encroached on the ways people spoke, wrote, and conducted themselves in public and private, some of America's best writers embraced unsafe sex, excessive alcohol, and a good cigar. From the classically libidinous Henry Miller to the hilariously contemporary Fran Lebowitz, **Drinking, Smoking and Screwing** includes novel excerpts, essays, poems, and short stories in a bawdy and thoroughly entertaining anthology with no warnings -- and no apologies.

Chillies and Porridge Oct 17 2022 Essential. Evocative. Addictive. The experience of food can mean many things to many people. Whether it's carrying a chilli around to dinner parties in the UK or finding out what it really means to be a vegetarian in a carnivorous world, whether it's exploring the junk food revolution in India or discovering the art of slow cooking, this full-bodied collection of food writing will take you back to the kitchens of your childhood, and far out to realms of imagined flavours and sensory excitement. A joyous mix of the familiar and the unfamiliar, the home-grown and the street-born, **Chillies and Porridge** is a celebration of that most vital ingredient of life: food. Features essays by Anita Nair, Avtar Singh, Bachi Karkaria, Bulbul Sharma, Chitrita Banerji, Sumana-Jayaditya-Bikramjit, Floyd Cardoz, Janice Parlat, Jerome Marrel, Jhampan Mookerjee, Kai Friese, Karthika Nair, Naintara M. Screwing the Pooch Dec 07 2021 If you're looking for a fast read, one that prods your memory, bringing back events or people in your past or present, **Screwing the Pooch** is the book for you. J B Bergstad has written seven short stories we all can relate to from a bully to a narcissistic rapist. The author's ability to get into the mind of his characters is amazing. His vivid descriptions of events and the repercussions that result, good or bad, put you right in the thick of things. You will find it difficult to choose one story over another. They all have their own brand of relevance. The story's will remind you just how we see the world when our thoughts are filled with revenge, regret, anger, love or perhaps even happiness. **Screwing the Pooch** reveals how people act on emotion and environment. You may empathize with those who are forced to protect themselves from their peers or social status to those who make unwise decisions, but with luck, courage or savagery eventually solve their problem. Bergstad has made **Screwing the Pooch** an easy read with everyday language we all understand. The title of the book doesn't depict what you'll find inside, but psychologically speaking it hits home. How many times have you taken revenge on those who have harmed you or someone you know? How or when do we make the decision that an action committed is too much to endure and retaliate with good or bad results? **Screwing the Pooch** will make you laugh and cry. It may fill you with hope or get you angry as hell. But in the end, it will help you realize why we as human beings do what we do. **Screwing the Pooch** by J B Bergstad should be your next must read book.

Drinking in America Aug 15 2022 In DRINKING IN AMERICA, bestselling author Susan Cheever chronicles our national love affair with liquor, taking a long, thoughtful look at the way alcohol has changed our nation's history. This is the often-overlooked story of how alcohol has shaped American events and the American character from the seventeenth to the twentieth century. Seen through the lens of alcoholism, American history takes on a vibrancy and a tragedy missing from many earlier accounts. From the drunkenness of the Pilgrims to Prohibition hijinks, drinking has always been a cherished American custom: a way to celebrate and a way to grieve and a way to take the edge off. At many pivotal points in our history—the illegal Mayflower landing at Cape Cod, the enslavement of African Americans, the McCarthy witch hunts, and the Kennedy assassination, to name only a few—alcohol has acted as a catalyst. Some nations drink more than we do, some drink less, but no other nation has been the drunkest in the world as America was in the 1830s only to outlaw drinking entirely a hundred years later. Both a lively history and an unflinching cultural investigation, DRINKING IN AMERICA unveils the volatile ambivalence within one nation's tumultuous affair with alcohol.

Hemingway & Bailey's Bartending Guide to Great American Writers Nov 06 2021 This spirited tour of literary history pairs forty-three great American authors with their favorite cocktails—plus boozy quotes, tales of barroom antics and more. What do William Faulkner, Ernest Hemingway, Sinclair Lewis, Eugene O'Neill, and John Steinbeck have in common? They're all writers. They're all Americans. They all won the Nobel Prize in Literature. And they all enjoyed a good, stiff drink. In this entertaining homage to the golden age of the cocktail, illustrator Edward Hemingway and writer Mark Bailey present the best (and thirstiest) American writers, their favorite cocktails, true stories of their saucy escapades, and intoxicating excerpts from their literary works. From Jack Kerouac's Margarita to James Baldwin's Shandy Gaff and Lillian Hellman's Daiquiri, it's the perfect blend of classic cocktail recipes, literary history, and tales of straight-up fun.

I Hope They Serve Beer In Hell Aug 03 2021 The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

Inside The Writers' Room Jan 28 2021 Television drama has come to rival cinema in its sophisticated narrative form and high production values. At the heart of this success is the television writer, and TV has become the home of some of the most exciting and high quality writing. In a series of original interviews, showrunners and writers from some of the biggest American TV dramas of recent years share their experiences and practices of the 'writers' room', on shows such as The Sopranos, The Wire, Mad Men and Game of Thrones. Christina Kallas frames these insider insights with an astute overview of the writer's instrumental role in the rise of sophisticated TV narrative, and concluding reflections which will be invaluable to writers, critics and fans alike.

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Sep 23 2020 The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Volume I of this two-part publication traces the history of sex from the Stone Age to the Enlightenment. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-

turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

Lying, Cheating & Stealing Sep 16 2022 Over 25 page-turning excerpts from this century's wildest and most entertaining American writers- including Dorothy Parker, Woody Allen, Tobias Wolff, and Groucho Marx-bring back the days when getting rich and getting even were more important than multitasking, working out, and recycling.

Screenwriting With a Conscience Oct 25 2020 Screenwriting With a Conscience: Ethics for Screenwriters is for screenwriters who care deeply about what they write; who are aware that movie images matter and can influence audiences; and who want to create meaningful screenplays that make powerful statements while entertaining and winning over audiences. A user-friendly guide to ethical screenwriting, this book makes the case that social responsibility is endemic to public art while it emphatically champions First Amendment rights and condemns censorship. In this dynamic and practical volume, author Marilyn Beker provides methods for self-assessment of values, ideas, and ethical stances, and demonstrates the application of these values to the development of plot, character, and dialogue. Screenwriters are introduced to ethical decision making models and shown--through specific film examples--how they can be utilized in plot and character development. In addition, specific techniques and exercises are supplied to help screenwriters determine the difference between "good" and "evil," to write realistic and compelling characters based on this determination, and to present "messages" and write dialogue powerfully without preaching. This book also puts forth a livable work philosophy for dealing with the ethics of the screenwriting business, and presents a viable personal philosophy for surviving in the screenwriting world. Screenwriting With a Conscience: Ethics for Screenwriters is an indispensable, dynamic guide for the ethics-conscious screenwriter. It is intended for screenwriters at the student and professional level, and is appropriate for beginning to graduate screenwriting courses in film and English programs, and for film courses dealing with Ethics in the Media.
