Perhaps it's the spirit of the season or the magic of mistletoe, but Addie and Erich soon find they have more in common than they thought—and that two people who

seem so wrong for each other may actually be just right. With a little prompting from a certain angelic teacher, the two are in for a holiday miracle they'll never forget. Mrs. Miracle wreaks romantic havoc in two lives while working in the toy department of a family-run store, and the bitter feud between their mothers that has kept Noelle and Thomas apart is healed by the magic of Christmas. *The Metamorphosis* is a novella written by Franz Kafka which was first published in 1915. One of Kafka's best-known works, *The Metamorphosis* tells the story of salesman Gregor Samsa who wakes one morning to find himself inexplicably transformed into a huge insect (German *ungeheures Ungeziefer*, literally "monstrous vermin"), subsequently struggling to adjust to this new condition. The novella has been widely discussed among literary critics, with differing interpretations being offered. Franz Kafka (3 July 1883 - 3 June 1924) a German-speaking Bohemian novelist and short-story writer, widely regarded as one of the major figures of 20th-century literature. His work fuses elements of realism and the fantastic. It typically features isolated protagonists facing bizarre or surrealistic predicaments and incomprehensible socio-bureaucratic powers. It has been interpreted as exploring themes of alienation, existential anxiety, guilt, and absurdity. His best known works include "Die Verwandlung" ("The Metamorphosis"),

Der Process (The Trial), and Das Schloss (The Castle). The term Kafkaesque has entered the English language to describe situations like those found in his writing. Kafka was born into a middle-class German-Jewish family in Prague, the capital of the Kingdom of Bohemia, then part of the Austro-Hungarian Empire, today the capital of the Czech Republic. He trained as a lawyer and after completing his legal education was employed full-time by an insurance company, forcing him to relegate writing to his spare time. Over the course of his life, Kafka wrote hundreds of letters to family and close friends, including his father, with whom he had a strained and formal relationship. He became engaged to several women but never married. He died in 1924 at the age of 40 from tuberculosis. Few of Kafka's works were published during his lifetime: the story collections *Betrachtung* (Contemplation) and *Ein Landarzt* (A Country Doctor), and individual stories (such as "Die Verwandlung") were published in literary magazines but received little public attention. In his will, Kafka instructed his executor and friend Max Brod to destroy his unfinished works, including his novels *Der Prozess*, *Das Schloss* and *Der Verschollene* (translated as both *Amerika* and *The Man Who Disappeared*), but Brod ignored these instructions. His work has influenced a vast range of writers, critics, artists, and philosophers during the 20th and 21st centuries. Translated by Ian Johnston. Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the

relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss. 'I stood up. A miracle had happened. I could walk. It was as if I was born again.' With a heart full of prayer, Marion Carroll journeyed to Knock in the west of Ireland. For 17 years, Multiple Sclerosis had ravaged her body so utterly that this reluctant pilgrim travelled on a stretcher. Then, at the Mass, an unimaginable miracle. Marion rose, pain-free, to walk, talk and see once more. Thanks to this wondrous blessing, Marion has transformed - in her 'own small way' - the lives of countless others. Her ministries share her rock-like faith and devotion to God. They testify to the power of ordinary people to listen, to care, to inspire. Nearly 30 years later, the Catholic Church officially recognised Marion's cure as a proclaimed miracle. Here, with warmth, grace, humility - and down-to-earth Irish humour - she tells of her life 'before' and 'after'. Marion's powerful, uplifting story is unique. It shines a light on love, hope and a remarkable relationship with God. **NEW YORK TIMES BESTSELLER** Set in Cedar Cove's charming Rose Harbor Inn, Debbie Macomber's captivating new novel follows innkeeper Jo Marie and two new guests as they seek healing and

"Growing up, I wanted to be Mara Wilson. Where Am I Now? is a delight." —Ilana Glazer, cocreator and star of Broad City

Named a best book of the month by GoodReads and Entertainment Weekly

A former child actor best known for her starring roles in *Matilda* and *Mrs. Doubtfire*, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of *Melrose Place*, to discovering in adolescence that she was no longer "cute" enough for Hollywood, these essays chart her journey from accidental fame to relative

(but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female. For Cassie Beaumont, it's meeting her perfect match. Cassie, at thirty-three, wants a husband and kids, and so far nothing's worked. Not blind dates, not the internet and certainly not leaving love to chance. What other options are there? Well...she could hire a professional matchmaker. Simon Dodson has quite a reputation, but he's very choosy about the clients he takes on—and very expensive. Cassie considers him a difficult, acerbic know-it-all, and she's astonished when he accepts her as a client. Claiming he has her perfect mate in mind, Simon assigns her three tasks to complete before she meets this paragon. Three tasks that are all about Christmas: being a charity bell-ringer, dressing up as Santa's elf at a mall and preparing a traditional turkey dinner for her neighbors (most of whom she happens to dislike). Despite a number of comical mishaps, Cassie does it all—and then she's finally ready to meet her match. But just like the perfect Christmas gift, he turns out to be a wonderful surprise! Ernestine is in over her head. Monday through Sunday, Ernestine's week is packed with after-school lessons—tuba, knitting, sculpting, water ballet, yoga, yodeling, and karate. Overwhelmed and exhausted, Ernestine decides to take matters into her own hands and heads off to the park with her Nanny where she builds a fort, watches the clouds, and plays all kinds of unstructured and imaginative games. But when a teacher calls Ernestine's mom to report that she has not shown up for yodeling, her parents search everywhere until at last they hear their daughter's laughter coming from the park. Ernestine tells her parents what a wonderful afternoon she's had, and explains her plight, asking, "I like my lessons, but can't I stop some of them?" This saga hilariously captures the dilemma of the modern-day over-scheduled child in riotous color and absurd

extremes. A delightful heroine, Ernestine will be sure to put “play” back on everyone’s agenda, demonstrating that in today’s overscheduled world, everyone needs the joy of play and the simple wonders of childhood. A collection of essays that are “like being seated beside the most entertaining guest at a dinner party” (*Atlanta Journal Constitution*), from the New York Times bestselling author of *American Housewives* “Thank you Helen Ellis for

writing down the Southern Lady Code so that others may learn.”

—Ann Patchett, bestselling author of *The Dutch House* Helen Ellis has a mantra: “If you don't have something nice to say, say something not-so-nice in a nice way.” Say “weathered” instead of “she looks like a cake left out in the rain” and “I’m not in charge” instead of “they’re doing it wrong.” In these twenty-three raucous essays, Ellis transforms herself into a dominatrix Donna Reed to save her marriage, inadvertently steals a Burberry trench coat, avoids a neck lift, and finds a black-tie gown that gives her the confidence of a drag queen. While she may have left Alabama for New York City, Helen Ellis is clinging to her Southern accent like mayonnaise to white bread, and offering readers a hilarious, completely singular view on womanhood for both sides of the Mason-Dixon. It just isn’t Christmas without a book by Debbie Macomber! Together for the first time in one value box set, three delightful stories capture the warmth of the season. Charles, history professor and curmudgeon, wants to avoid the holiday altogether. He figures a prison town should be nice and quiet over the holidays—except he’s thinking of the wrong Leavenworth, and ends up in Washington State—in Santa’s village! Through all the mix-ups and misunderstandings, amid the chaos and confusion, romance begins to emerge in unexpected ways. Because everything changes at Christmas! *Call Me Mrs. Miracle This Christmas*, Emily Merkle (just call her Mrs. Miracle) is working in the toy department of Finley’s, the last family-owned department store in New York City. Miracle Creek is a brave, moving debut from an unforgettable new voice. Settle in for a sweet treat with this classic Christmas story from #1 New York Times bestselling author Debbie Macomber. Emma Collins has always believed that the world is divided into two kinds of people: those who love fruitcake and those who don't. She's firmly in the second category, so it's ironic that her first major assignment for the Puyallup, Washington, Examiner is a series of articles about...fruitcake. At least it's a step up from writing obituaries. Her task is to interview the finalists in a fruitcake recipe contest, and that means traveling around the state. Actually...flying around the state. Local pilot Oliver Hamilton, who's starting an airfreight business, has agreed to take her wherever she needs to go, in exchange for free advertising. Unfortunately Emma hates small planes—almost as much as she hates fruitcake. But in the weeks leading up to Christmas, Emma discovers Oliver is not quite the Scrooge he sometimes seems. Friendly and bubbly, Julia Padden likes nearly everyone, but her standoffish neighbor, Cain Maddox, presents a particular challenge. No matter how hard she’s tried to be nice, Cain rudely rebuffs her at every turn, preferring to keep to himself. But when Julia catches Cain stealing her newspaper from the lobby of their apartment building, that’s the last straw. She’s going to break through Cain’s Scrooge-like exterior the only way she knows how: by killing him with kindness. To track her progress, Julia starts a blog called *The Twelve Days of Christmas*. Her first attempts to humanize Cain are far from successful. Julia brings him homemade Christmas treats and the disagreeable grinch won’t even accept them. Meanwhile, Julie’s blog becomes an online sensation, as an astonishing number of people start following her adventures. Julia continues to find ways to express kindness and, little by little, chips away at Cain’s gruff façade to reveal the caring man underneath. Unbelievably, Julia feels herself falling for Cain—and she suspects that he may be falling for her as well. But as the popularity of her blog continues to grow, Julia must decide if telling Cain the truth about having chronicled their relationship to the rest of the world is worth risking their chance at love.
