Join biblical culturalist Krisi McLelland as she takes you back to Jesus' first-century world, explaining the historical and cultural climate of His day. This 7-session Bible study is a look at several of Jesus' interactions with women. Minter explores what happens when good desires become false gods, robbing people of an intimate relationship with the heavenly Father. (Christian) Learn from the fierce women of God who changed the world. The word fierce is trendy. It is used to describe women who are extreme athletes, high-level executives, or supermodels. Women at the top of their game. But what about the rest of us? Can we be fierce? Absolutely! In fact, women like us have been changing the world for thousands of years—many who received little fanfare yet lived fiercely anyway. In this six-week study we will look at lesser-known female characters in the Bible and the ways they changed the world by living into God's calling, including: The midwives of Egypt (Shiphrah and Puah), who made hard decisions in the face of evil Deborah, who was an unlikely and powerful leader Naaman's slave girl, who bravely points others to God's healing power The Woman at the Well, who boldly repented and shared her faith Lois and Eunice, who parented with intentionality and effectiveness Dorcas, who showed kindness to those in need. As we explore their lives, we will discover how we too can live into our callings, honor the Lord, and even change the world through our courage, faithfulness, and obedience. Bible Study Features: A six-week study of lesser-known female characters in the Bible. Helps women consider how they can be fierce women of God. Workbook includes five devotional lessons for every week of study. Each DVD segment features an opening "fierce" vignette followed by engaging Bible teaching with practical life application. Other components for the Bible study, available separately, include a Leader Guide and DVD. Borrowing from best-selling studies by Beth Moore, Priscilla Shirer, Lisa Harper, Kelly Minter, and Jennifer Rothschild, this 5-session study explores crucial moments in the lives of five Old Testament figures Esther, Gideon, Malachi, Nehemiah, and Hosea. Through their stories, discover how God uses the lives of ordinary people for His glory and the good of His people. Strengthen your faith as you walk alongside these larger-than-life figures who all chose to obey God no matter the circumstances. Remote viewing is the mental ability to perceive and describe places, persons, or events at distant locations in the past, present, and future. This book describes the science and theory of the remote-viewing phenomenon. The reality of the remote-viewing phenomenon is not in dispute among a large body of respected researchers, both inside and outside of academia, who have published an extensive collection of high-quality investigations over the past few decades. But profound mysteries remain. This volume breaks new ground by resolving some of remote-viewing's greatest enigmas. In these pages, new research and new theories explain why remote viewing works, and why it is scientifically possible. These investigations utilize remote-viewing methods that are derivative of those used for decades in well-documented U.S. government funded psi research sponsored by the Central Intelligence Agency (C.I.A.) and the Defense Intelligence Agency (D.I.A.). Filled with descriptions and analyses of highly original experiments, here is an investigation into the fascinating characteristics of time and physical reality using remote viewing as a tool of exploration, offering evidence that the past, present, and future truly exist simultaneously. The idea of differing future and past time lines is not just science fiction. Discover Your True Worth in Christ. What comes to mind when you hear the word masterpiece? Perhaps you think of a beautiful painting, a spectacular home renovation, or a captivating sunset. But few of us would describe ourselves with that word. We tend to listen instead to the lies that define us as rejected, unwanted, less than, ugly, stupid, or a failure. Sometimes we can feel more like worthless junk than a valuable masterpiece. Yet that is exactly what God's Word says that we are! In For His Glory, Marian Jordan Ellis leads us in an in-depth study of Ephesians to help us dismantle the lies we've believed about ourselves and replace them with a new identity built on God's Word. The truths in this beloved epistle speak to the core beliefs we carry about ourselves, revealing to us our part in God's magnificent design to redeem a people for Himself who reflect His glory to the world. Drawing on her own journey of transformation and her passion to equip women to overcome

shame, insecurity, inferiority, and condemnation, Marian invites us on a journey to discover our true worth in Christ, our status as beloved children of God, and our glorious calling as His masterpiece. Other components for the Bible study, available separately, include a Leader Guide and DVD. Bible Study Features: A six-week, verse-by-verse study of Ephesians with seven group sessions. Helps women discover how Jesus can take their broken and make it beautiful. Workbook includes five lessons for every week of study. DVD features the dynamic Bible teaching of Marian Jordan Ellis in six 20-25 minute segments. Discover Your True Worth in Christ. What comes to mind when you hear the word masterpiece? Praise for For His Glory Marian Jordan Ellis skillfully explores the great truths from the letter to the Ephesians and invites women to discover their unshakeable identity in Christ. She challenges us to see ourselves as God does—loved, chosen, redeemed, and yes...worth dying for. For His Glory beckons you to rest in God's extravagant love and hear Him declare you "His masterpiece"! Lisa Mahan, Global Director of Women's Ministry, Second Baptist Church, Houston, Texas Marian expands our understanding of the timeless words of Paul to an ancient culture that struggled and wrestled so many issues that are our same struggles today. This study will challenge you, equip you, and leave you ready to live out your purpose with renewed passion, living fully for the glory of God. Julie Lyles Carr, Author of Raising an Original and Footnotes: Major Lessons from Minor Bible Characters, host of The Modern Motherhood Podcast Elijah emerged as the voice of unapologetic truth during a time of national crisis and moral decline. His ministry was marked by tenacious faith and holy fire--the same kind you will need in order to remain steadfast in current culture. God's kingdom isn't just about theology and church. It isn't just a quaint religious idea or an obscure theological concept. It is about a whole new way of seeing the world and your place in it. Tony Evans' legacy work, The Kingdom Agenda offers a fresh and powerful vision that will help you think differently about your life, your relationships, and your walk with God. When you start with a Kingdom agenda, living in relationship with the true King, and embracing your place in His Kingdom, nothing will ever be the same. In these pages we'll explore how, under God, this kingdom vision: Helps you find greater purpose for your life. Guides your family toward Him. Deepens your understanding of God's use of the church. Changes the way you think about politics, culture, and philosophy. Join Dr. Tony Evans, one of the greatest Bible teachers of our time, as he unfolds this biblical and practical approach to life—an approach that has the power to change people, families, neighborhoods, churches, and even nations. Discover the power of the Kingdom agenda. For more information on this title or others in The Kingdom Agenda Series, go to www.TheKingdomAgendaBook.com. "Advances in computer technology and developments such as the Internet provide a constant momentum to design new techniques and algorithms to support computer graphics. Modelling, animation and rendering remain principal topics in the field of computer graphics and continue to attract researchers around the world." This volume contains the papers presented at Computer Graphics International 2002, in July, at the University of Bradford, UK. These papers represent original research in computer graphics from around the world and cover areas such as: - Real-time computer animation - Image based rendering - Non photo-realistic rendering - Virtual reality - Avatars - Geometric and solid modelling - Computational geometry - Physically based modelling - Graphics hardware architecture - Data visualisation - Data compression The focus is on the commercial application and industrial use of computer graphics and digital media systems. In this verse-by-verse study of the Book of Hebrews, Jen Wilkin explores how God "provided something better for us" in the person of Jesus Christ (Heb. 11:40). Through stories of Old Testament heroes and practices, the author of Hebrews demonstrates how the new covenant is superior to the old and how Jesus Christ is the fulfillment of every promise. Explore familiar verses in context of the entire Bible, learning how to place your hope and faith in Christ alone. (10 sessions) Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 10 weeks of group sessions Essential teaching videos, approximately 30-45 minutes per session, available for purchase or rent Benefits: Explore Old Testament stories to gain context for the superiority of Christ. Gain an understanding of the old and new covenants. Learn to place your hope in Jesus. Study the Book of Hebrews verse by verse. A 7-session Bible study to discover the God who cherishes you. Today's culture and others' views, even those of other Christians, can present a distorted view of God. Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation. In a world where we find people creating God in their own image, studying God's names can remind us that we are created in His. In fact, one of the best ways to know God's true character and grow closer to Him is to study His names. In The Names of God, Melissa Spoelstra leads women on an exploration of the many names of our triune God—from El and Elohim to Yahweh and its many combinations to names such as Abba, Jesus, and Holy Spirit...and many others. As women study the names of God, their ideas about God will become more grounded in what His names tell them, and thus more personal, allowing a greater trust in Him to share the

details of their lives. Whether having walked with God for many years or just starting out in a relationship with Him, by the end of this study women will not only know more about God but will know Him better—because through the discovery of God’s names, they will discover Him! Components for this six-week Bible study, each available separately, include a Participant Workbook, a Leader Guide, DVD with six 25-minute segments (with closed captioning), and a boxed Leader Kit containing one of each component. More than mere whimsy, joy is the weapon we can use to fight life's greatest battles. In this six-session Bible study, participants will learn to develop an intimacy with God and embrace the adventure that comes with living a life for Him. Features small-group leader helps, personal study segments with homework, and space for journaling and reflection. **NOW A MAJOR MOTION PICTURE** starring Robert Duvall and Lucas Black This book is about influence and inspiration and a deeper, more profound way of looking at life. The story is based on thousands of athletes who author and performance psychologist Dr. David Cook has counseled, and the great mentors and teachers from whom he has learned. Told through the lives of two characters—an eccentric rancher with a passion for teaching truth, and a young golf professional at the end of his rope looking to escape the pressures of the game—they represent each one of us in our various stages of growth. And through them we are reminded that, in life, we must be willing to coach and be coached. Life is never the same once you’ve been to Utopia. “Read it. Devour it. Keep it as a reference book. You’ll be glad you did. Golf’s Sacred Journey is a remarkable and encouraging story with an entirely different approach on how to succeed in your golf game.”—Zig Ziglar, leading motivational expert and bestselling author “This book is full of wisdom that will enhance your game and I believe it just may change your life.”—David Robinson, NBA MVP, 1992 Olympic Gold Medalist, Two Time World Champion **Jonah: Navigating a Life Interrupted - Bible Study Book** by Priscilla Shirer provides a personal study experience five days a week, leader helps, and viewer guides for the group video sessions of this in-depth women's Bible study. What do we do when God interrupts our lives? Many times, like Jonah, we run! In this 7-session Bible study, Priscilla redefines interruption and shows that interruption is actually God's invitation to do something beyond our wildest dreams. When Jonah was willing to allow God to interrupt his life, the result was revival in an entire city. When hard times come and it seems God is deviating from the plan we assume our life should follow, we're more likely to want to tame God, not trust Him. It's then that we begin to press into our ways and our own timing. No human can carry the weight of being their own god, but so many of us try. In this 6-session study of 1 & 2 Kings, join Lysa TerKeurst in Israel as she honestly reveals the places of distrust in her own heart while exploring the deeply applicable Scriptures that will teach us how to truly trust God. Features: Leader helps to guide questions and discussions within small groups Personal study segments with homework to complete between 6 weeks of group sessions Interactive teaching videos, approximately 15-25 minutes per session, available for purchase or rent Benefits: Identify and challenge doubts in the one true God. Explore how the Old Testament applies to our lives today. Learn to trust in the goodness and faithfulness of God. Is it possible to see across space and time? Even those who accept that humans can reach beyond the conventional five senses typically think of psychics as "special" or "gifted" with unusual abilities. But David Morehouse teaches otherwise—all human beings, including you, have the innate capacity for remote viewing. David Morehouse was trained by the U.S. government in remote viewing—an exact scientific protocol for tapping the human power to gather information across space and time. In this comprehensive manual, he has taken his military training as an "operational" remote viewer and turned it into a step-by-step training system—one that teaches any serious reader how to unlock their natural abilities and become more than the physical world allows. Remote Viewing includes more than just a method for gathering information. It is a transformational tool instilling within you the absolute and irrefutable evidence that you are more than human—that you are extraordinarily human. As you gain experience and confidence as a viewer, you will tap into the collective unconscious that connects you to everything and everyone in the universe. Through David Morehouse's training, you will learn to touch the infinite source of life and knowledge that spiritual masters throughout human history have sought. David Morehouse's superiors in the DIA/CIA called him "the most exceptional candidate ever to have grasped this difficult intelligence collection methodology." What sets him apart as a teacher is his unparalleled ability to present the complexities of remote viewing in an accessible, logical, and artful manner. As more than 23,000 students have already discovered, David Morehouse has set a new and brilliant standard for teaching the scientific protocol of remote viewing. "You have the ability to do this," Morehouse says. "Something extraordinary is absolutely possible in your life." Now for the first time, he brings you his method for taking your first step into your ultimate potential in a single volume: **Remote Viewing: The Complete User's Manual for Coordinate Remote Viewing**, which also include a cool-down audio track. David Morehouse has found that this psychoacoustic “pink noise” track is especially effective for helping us enter the brainwave state of relaxed awareness needed for remote viewing. “When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him.” Are you longing to hear God’s voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few “spiritual elite.” Priscilla Shirer looks at God’s call to Samuel and uncovers six characteristics essential for hearing from God: A simple **RELATIONSHIP**, unfettered by sin or pride A single-minded **WORSHIP**, focused on God and His glory A set-apart **HOLINESS**, determined to live a life that honors Him A still **ATTENTIVENESS**, willing to be silent before Him A sold-out **HUNGER**, passionately pursuing God’s presence A servant **SPIRIT**, submitted to God’s call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly. From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world

had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. . In *Jesus, the One and Only*, best-selling author and Bible teacher Beth Moore invites you to know Christ personally. Watch and listen as He breaks up a funeral by raising the dead, confronts conniving religious leaders of His day, teaches on a Galilean hillside, or walks on the waves and calms the storm. Like a ragtag band of followers two thousand years ago, you will never be the same again after such an up close and personal encounter. “He is Jesus, the One and Only, transcendent over all else,” writes Moore. “To know Him is to love Him. To love Him is to long for Him. To long for Him is to finally reach soul hands into the One true thing we need never get enough of . . . Jesus Christ. He’s all you need.” Available for the first time in eBook, this new edition also features an excerpt from Moore’s *Jesus, the One and Only* Bible study. Beth Moore, Kay Arthur, and Priscilla Shirer in a women's Bible study recorded live at the Orlando Deeper Still conference. Member book includes: 6 Weeks of Guided Study, Retreat Plan & Group Leader Helps.

The Book of Numbers is a story of identity, wilderness, and God. Numbers continues the historical narrative begun in Exodus, the story of God's people newly freed from Egypt's shackles and wandering toward the promised land. While Numbers accounts for the next 39 years of their wilderness wandering, it's also a story of God's presence among His beloved. Even when they rebelled--and this book tells of many rebellions--God's love and promises remained. It's in that love and those promises the children of Israel found their identity and where we must find ours today. (7 sessions) Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 7 weeks of group sessions Interactive teaching videos, approximately 15 minutes per session, for purchase or rent Benefits: Leverage Old Testament truths for your life today. Recognize God's faithfulness in keeping His promises. Discover your identity as His beloved even in seasons of wilderness wandering. Study the Book of Haggai to learn lessons from the ancient Israelites, who returned home from captivity to find their land and homes in shambles. They attempted to reconstruct the temple, however, they became discouraged and quit. Haggai challenged them to consider their priorities and get back to work. Like the Israelites, sometimes we find ourselves in transition, with wrecked lives and little hope. This study will challenge us to take courage, rebuild what is broken, and rise to be the women God calls us to be. (7 sessions) Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 7 weeks of group sessions Interactive teaching videos, approximately 25 minutes per session, for purchase or rent Benefits: Defeat discouragement with God's presence, people, and Word. Choose devotion to God over promotion of self. See beyond your current circumstances to a future in Christ. Five years on from its adoption in 1997 by the Object Management Group (OMG), the Unified Modeling Language is the de facto standard for creating - agrammatic models of software systems. More than 100 books have been written about UML, and it is taught to students throughout the world. The de?nition of UML version 2 is well under way, and should be largely completed within the year. This will not only improve and enhance UML itself, including standard facilities for diagram interchange, but also make it fully integrated with other modeling technologies from the OMG, such as Meta-Object Facility (MOF) and XML Metadata Interchange (XMI). The Object Constraint Language, which has become an important vehicle for communicating detailed insights between UML researchers and practitioners, will have a much expanded speci?cation and be better integrated with the UML. The popularity of UML signi?es the possibility of a shift of immense prop- tions in the practice of software development, at least comparable to the shift from the use of assembly language to “third-generation” or “high-level” p- gramming languages. We dream of describing the behavior of software systems in terms of models, closely related to the needs of the enterprise being served, and being able to routinely translate these models automatically into executing p- grams on distributed computing systems. The OMG is promoting Model-Driven Architecture (MDA) as a signi?cant step towards this vision, and the MDA c- cept has received considerable support within the IT industry. Every life gets messy at times. Sometimes these messes are literal, like a house that would be easier to condemn than to clean. But sometimes they are intangible messes such as illness, conflict, depression, abuse, bankruptcy, divorce, and job loss. And these messes can be painful, hurting our hearts and our homes. But as we see in the Bible, God loves to use messy people! In this six-week study, we will dig into the lives of biblical heroes who were messy people just like us but who were used by God in powerful ways. Together we will examine the stories of five wonderful but messy people and one messy parable character: Rahab, the Prodigal Son, Josiah, Mary, David, and Daniel. From their stories, we will learn how God can use broken people, restore damaged hearts and relationships, give us power to handle our critics, and help us deal with the hard moments of life. Along the way we’ll discover that we don’t have to just endure messy lives but can actually learn to thrive with God’s guidance and help. In the hands of God, our messes can become His masterpieces! The participant workbook, to be used along with the study's DVD, includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, and DVD with six 10-15 minute sessions. Women's Bible study by Priscilla Shirer that looks at Gideon's life. The Breathe Study Journal includes 5 sessions of teaching by Priscilla Shirer with 4 weeks of homework in a reflective, journaling format. One of the greatest challenges among women in our culture is taking time to stop and cease from all the activities and busyness and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. We miss the moments because we rush ahead to the next thing. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. It is time for us to

breathe and build margin into our lives for God. In the Old Testament, God instituted principles and laws that would transform the Israelites' mindset. He didn't just want them legally free; He wanted them to be able to walk in the freedom and enjoy it. So God gave them many gifts, including boundaries in which to enjoy those gifts. Sabbath was intended as a gift, and it is still a gift to us today. If you are weary, worn out, and exhausted the concept of Sabbath will change your life. Week 1 - The Freedom of Sabbath Week 2 - Stops Along the Sabbath Journey Week 3 - Double-Portion Friday Week 4 - Coming Into Focus Week 5 - Sabbath Margin Features: Biblically-rooted and gospel-centered teaching Leader material (guides to questions and discussion with small group) 5-session Study Journal with group components, personal components, and leader helps Personal study segments include 4 weeks of homework in a study journal for reflection and to help the learner spend time alone with God and Scripture Benefits: Biblical truth that's reliable Can be used in a variety of ways and has a lot of flexibility. It can be used by a group of any size in a church or another setting, small group in a home, or a weekend away as an individual or with a small group of women. An opportunity to explore the concept of Sabbath in both the Old and New Testaments Great study for personal growth and reflection on an individual basis For the weary, worn out, and exhausted this study could be life-changing as they acknowledge their bondage to busyness and learn that Sabbath was created by God before the fall Sets boundaries for those who believe they must always be "doing" something for God God has a plan for your life. More often than not, it's a detour, one that can leave you feeling temporarily stalled and slowed down. Which nobody likes. But detours are necessary if any improvements are going to be made on the paths we travel. Or if any wreck is going to be cleaned up or a hazard avoided. Detours are designed for our own good, regardless of how we view or feel about them. Detours are a good thing that often feels bad. Tony knows a thing or two about detours, and one of the things he knows for certain is that God works through detours to bring about His blessing. To deliver you to the place He has created just for you. Yet what we often do is try as hard as we can to work our own way to the circumstances we believe are best for us. Using examples from the life of Joseph, Tony will leave readers with answers to the following questions: How do you find the destiny God has designed for your life? How can you make the most of the detours God has planned for you? Is there a way to shorten a detour and speed up your progression in life? What is the purpose of a detour? "In these uncertain times, I know 100 percent that I can stake my life on the unshakeable, unchanging promises of God!" —SHEILA WALSH Where do you turn for shelter in the worst storms of life? You know God's promises, but are they for you, are they for now, are they for this? If you look to your circumstances alone, it may seem that God has forgotten you. But He hasn't. He can't. And He wouldn't even if He could. God is the only promise maker who is always a promise keeper. And God's promises will never fail you! In *The Shelter of God's Promises*, gifted Bible teacher and inspiring Women of Faith speaker Sheila Walsh searches Scripture for what God has promised us, what God's promises mean, and how encounters with Christ are the eternal fulfillment of His unrelenting commitment to us. Through vulnerable storytelling, new insights, and an in-depth Bible study, Sheila offers powerful, heart-filled teaching on ten bedrock promises of God, providing the foundation for daily confidence, joy, hope—and shelter. This book constitutes the refereed proceedings of the Third European Conference on Research and Advanced Technology for Digital Libraries, ECDL'99, held in Paris, France in September 1999. The 26 revised full papers presented were carefully reviewed and selected from a total of 124 submissions. The book is divided in topical sections on image categorization and access, audio and video in digital libraries, information retrieval, user adaptation, knowledge sharing, cross language issues, case studies, and modelling, accessibility and connectedness. The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land! Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God. *Jonah: Navigating a Life Interrupted - DVD Leader Kit* by Priscilla Shirer helps a leader facilitate this women's Bible study experience and contains all that is needed to conduct the small group time. What do we do when God interrupts our lives? Many times, like Jonah, we run! In this 7-session Bible study, Priscilla redefines interruption and shows that interruption is actually God's invitation to do something beyond our wildest dreams. When Jonah was willing to allow God to interrupt his life, the result was revival in an entire city. Researchers from SRI International, and later at Science Applications International Corporation, in association with various U.S. intelligence agencies participated in this program. Using the remote viewing method, research focused on understanding the applicability and nature of psi in general but mostly upon informational psi. Volume 1: *Remote Viewing (1972-1984)* and Volume 2: *Remote Viewing (1985-1995)* include all aspects of RV including laboratory trials and several operational results. Volume 3 focuses on laboratory investigations on psychokinesis. Volume 4: *Operational Remote Viewing: Government Memorandums and Reports* includes an analysis of the applied remote viewing program and a selection of documents that provide a narrative on the behind the scenes activities of *Star Gate*. In a total of 504 separate missions from 1972 to 1995, remote viewing produced actionable intelligence prompting 89% of the customers to

return with additional missions. The Star Gate data indicate that informational psi is a scientifically valid phenomenon. These data have led to the development of a physics and neuroscience based testable model for the underlying mechanism, which considers informational psi as a normal, albeit atypical, phenomenon. The Star Gate data found insufficient evidence to support the causal psi (psychokinesis) hypothesis. Taped at the 2007 Deeper Still event, three women explored their lives and the life of David. Anointed, Transformed, Redeemed: A Study of David contains the audio and video portions of the Deeper Still conference featuring Beth Moore, Priscilla Shirer, and Kay Arthur. You'll laugh with them, cry with them, and learn to love God with them. These authors' messages are divided into three segments, two lessons each. Each segment focuses on the life of David at a different stage of his life: as a young man (by Priscilla Shirer), as a middle-aged man (by Beth Moore), and as a man facing the final third of his life (by Kay Arthur). Member Book provides six weeks of interactive, in-depth Bible study and group leader helps.
