Don't know your Wookiees from your wampas? If the Star Wars™ saga has you stumped, we've got your back. Star Wars Made Easy gives you everything you need to get you around the galaxy. Star Wars is a global phenomenon and the Force has truly reawakened. So where to start if you have never actually gotten around to watching the movies? Or if you find yourself dating an avid Star Wars fan? Or your kids keep asking you tricky questions about the dark side? Don't worry! We have you covered. Star Wars Made Easy is aimed at Star Wars novices who want to get up to speed and make sense of

the Star Wars references that permeate modern culture. This book will answer questions about the movies, the Star Wars universe, and much more! © & TM 2017 LUCASFILM LTD. Used Under Authorization.

A monster stalks the earth—a sluggish, craven, dumb beast that takes fright at the slightest noise and starts at the sight of its own shadow. This monster stalks the market. The shadow it fears is cast by a light that comes from the future: the Keynesian crisis of expectations. It is this same light that causes the world's leaders to tremble before the beast. They tremble, Jean-Pierre Dupuy says, because they have lost faith in the future. What Dupuy calls Economy has degenerated today into a mad spectacle of unrestrained consumption and speculation. But in its positive form—a truly political economy in which politics, not economics, is predominant—Economy creates not only a sense of trust and confidence but also a belief in the open-endedness of the future without which capitalism cannot function. In this devastating and counterintuitive indictment of the hegemonic pretensions of neoclassical economic theory, Dupuy argues that the immutable and eternal decision of God has been replaced with the unpredictable and capricious judgment of the crowd. The future of mankind will therefore depend on whether it can see through the blindness of orthodox economic thinking.

Drake Morgan, MD, Neurosurgeon, bass player, philanthropist - Dominant. He doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He has his surgical slate at New York Presbyterian, he has a charitable foundation providing surgical tools to hospitals in Africa, he has his Brit Invasion cover band in Mersey, and he has his secret life as a Dominant in

Manhattan's BDSM community. Into bondage, D/s and the occasional dungeon scene, Drake keeps every part of his life separate, the divisions between them neat and tidy. His weeks are filled with surgeries, music and D/s, and none of the well-planned and scheduled parts of his life intersect. That is until Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, for Drake is smitten and things are going to get messy... One day, third-grade teacher Kyle Schwartz asked her students to fill-in-the-blank in this sentence: "I wish my teacher knew _____." The results astounded her. Some answers were humorous, others were heartbreaking-all were profoundly moving and enlightening. The results opened her eyes to the need for educators to understand the unique realities their students face in order to create an open, safe and supportive place in the classroom. When Schwartz shared her experience online, #IWishMyTeacherKnew became an immediate worldwide viral phenomenon. Schwartz's book tells the story of #IWishMyTeacherKnew, including many students' emotional and insightful responses, and ultimately provides an invaluable guide for teachers, parents, and communities. From USA Today Bestselling Author S. E. Lund comes Book Five of the Unrestrained Series, FOREVER AFTER: New parents Drake and Kate start their life together facing the adverse publicity of a trial that exposes Drake's secret life as a Dominant in Manhattan's BDSM community. Will the fallout destroy their happy ever after? 18+ for adult content. One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning

career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race. From USA Today Bestselling author S. E. Lund comes the long-anticipated next instalment in the steamy romance series, the *Unrestrained Series*. Kate and Drake start their new life in San Francisco while the attempted murder trial continues back home in Manhattan. While they work to re-establish their relationship as a couple and adjust to parenthood, new challenges emerge and old enemies return to test their personal strength and that of their bond. *Everlasting* is Book Six in the *Unrestrained Series*. You are a modern woman, recently on the outside of a rough marriage, after a rougher divorce, and you've just gotten a mysterious package in the mail.... It contains a key to the House: a magical mansion

where anything you might imagine could satisfy you lies behind locked doors. From a casino where you gamble for more than money, to the most indulgent bath you've ever taken, and an elaborate masked ball where all the dancers go home happy at the end of the night, everything is possible inside the House's doors. The key is waiting for you -- will you take it? The House is an interactive romance novel - come find your fantasy, when you are in charge.

What happens when ideas presented as science lead us in the wrong direction? History is filled with brilliant ideas that gave rise to disaster, and this book explores the most fascinating—and significant—missteps: from opium's heyday as the pain reliever of choice to recognition of opioids as a major cause of death in the U.S.; from the rise of trans fats as the golden ingredient for tastier, cheaper food to the heart disease epidemic that followed; and from the cries to ban DDT for the sake of the environment to an epidemic-level rise in world malaria. These are today's sins of science—as deplorable as mistaken past ideas about advocating racial purity or using lobotomies as a cure for mental illness. These unwitting errors add up to seven lessons both cautionary and profound, narrated by renowned author and speaker Paul A. Offit. Offit uses these lessons to investigate how we can separate good science from bad, using some of today's most controversial creations—e-cigarettes, GMOs, drug treatments for ADHD—as case studies. For every "Aha!" moment that should have been an "Oh no," this book is an engrossing account of how science has been misused disastrously—and how we can learn to use its power for good. From Joey W. Hill—author of the Knights of the Boardroom series—comes a novel of erotic games and power plays, in which an

adventurous woman attempts to break down her own barriers. Athena is an accomplished businesswoman in control of every aspect of her life. But since the death of her husband, she's had the desire to explore submissive cravings she's had for some time. Unfortunately, Athena is known as a Mistress, because that's the role she's always played. Her type A personality was strong enough to serve her husband as a Domme because that's what he needed. It's not until she meets Dale, a retired Navy SEAL, that she attempts to discover what her own submissive desires are. But letting go of her control is not so easy. Fortunately, Dale is an accomplished Master who can help Athena live out her fantasies. And as she slowly surrenders to his touch, both of them will learn more about the nature of love between Dominant and submissive, and how it defies all expectations. "A classic of a very special kind... A gem of a book, crafted with passion for the truth and love for mankind." -Christian Science Monitor.

Enter the world of Scottish folklore with this unique hardcover guide. Retelling of traditional tales, full-color photographs of knitted costumes inspired by the stories, plus patterns for simpler versions of the original designs. The bold erotic masterpiece by #1 New York Times bestselling author Anne Rice writing as Anne Rampling. They call her the Perfectionist. A New Statesman Book to Read From economist Anne Case and Nobel Prize winner Angus Deaton, a groundbreaking account of how the flaws in capitalism are fatal for America's working class. Deaths of despair from suicide, drug overdose, and alcoholism are rising dramatically in the United States, claiming hundreds of thousands of American lives. Anne Case and Angus Deaton explain the overwhelming surge in these deaths and shed light on the social and economic forces that are making life harder for the working class. As the college educated become healthier and wealthier, adults without a degree are literally dying from pain and despair. Case and Deaton tie the crisis to the weakening position of labor, the growing power of corporations, and a rapacious health-care sector that redistributes working-class wages into the pocket of the wealthy. This critically important book paints a troubling portrait of the American dream in decline, and provides solutions that can rein in capitalism's excesses and make it work for everyone.

Drake and Kate, the Unrestrained Series Special Collection, brings together the first two books in the Unrestrained Series and Drake Series of new adult romance books. It includes *The Agreement*, Book 1 in the Unrestrained Series, told from Kate's point of view and *Drake Restrained*,

Book 1 in the Drake Series, told from Kate's point of view. Read along and see their love story unfold as told from each other's points of view. Enduringly profound treatise, whose lasting effect on Western philosophy continues to resonate. Aristotle identifies the goal of life as happiness and discusses its attainment through the contemplation of philosophic truth.

Overfishing. For the world's oceans, it's long been a worrisome problem with few answers. Many of the global fish stocks are at a dangerous tipping point, some spiraling toward extinction. But as older fishing fleets retire and new technologies develop, a better, more sustainable way to farm this popular protein has emerged to profoundly shift the balance. The Blue Revolution tells the story of the recent transformation of commercial fishing: an encouraging change from maximizing volume through unrestrained wild hunting to maximizing value through controlled harvesting and farming. Entrepreneurs applying newer, smarter technologies are modernizing fisheries in unprecedented ways. In many parts of the world, the seafood on our plates is increasingly the product of smart decisions about ecosystems, waste, efficiency, transparency, and quality. Nicholas P. Sullivan presents this new way of thinking about fish, food, and oceans by profiling the people and policies transforming an aging industry into one that is "post-industrial"—fueled by "sea-foodies" and locavores interested in sustainable, traceable, quality seafood. Catch quotas can work when local fishers feel they have a stake in the outcome; shellfish farming requires zero inputs and restores nearshore ecosystems; new markets are developing for kelp products, as well as unloved and "underutilized" fish species. Sullivan shows how the practices of thirty years ago

that perpetuated an overfishing crisis are rapidly changing. In the book's final chapters, Sullivan discusses the global challenges to preserving healthy oceans, including conservation mechanisms, the impact of climate change, and unregulated and criminal fishing in international waters. In a fast-growing world where more people are eating more fish than ever before, *The Blue Revolution* brings encouraging news for conservationists and seafood lovers about the transformation of an industry historically averse to change, and it presents fresh inspiration for entrepreneurs and investors eager for new opportunities in a blue-green economy. Hot men showing off their stunning bodies in the most exquisite details. Big muscle guys, bodybuilders, fitness models and athletes posing in jeans, sportswear, underwear and fully naked. This book is for anyone who really admires and appreciates the male form and sexuality. The most welcome addition to your library and a gift to your friends. TRILOGY COMPLETE! Three contemporary billionaire royalty romance novels to set your ereader ablaze by USA Today bestselling author Jeana E. Mann. **THE EXILED PRINCE (Book 1)** A secret masquerade hookup leads to complications with Rourke's new boss. One night. No names. No faces. It should have been simple. Instead, she's tossed into a life filled with decadence, heat, and sinful surprises. Delve into the dark side of romance with an exiled prince, a secret masquerade ball, and all the complications they create for personal assistant Rourke Donahue. **THE DIRTY PRINCESS (Book 2)** A personal assistant marries her royal boss and learns that happily-ever-after only exists in fairy tales. When Roman Menshikov asks Rourke to marry him, she doesn't think twice. Once the ring is

on her finger, she finds out he's not the man she thought he was. He's darker and more dangerous than she suspected. His involvement in an international war might kill them both. With wealth and power comes great responsibility for Roman. He's determined to save his country from ruin but will he sacrifice his new wife in the process? THE WAR KING (Book 3) A fairytale marriage enters the battlefield when the exiled prince reveals his secrets and claims his throne as The War King. I married the man of my dreams and landed in a nightmare of secret government agencies, assassins, and military coups. To keep him, I must fight his enemies. To love him, I must tame my fears. He's not the man I thought he was. He's more. The Unrestrained Series Omnibus Collection brings together the 8 books in the Unrestrained Series by S. E. Lund. The original Canadian-American Challenge Cup series lasted only 8 1/2 seasons, from 1966 into 1974, but what ground-shaking, car-shaping years those were. With minimal rules and lavish prize money, the Can-Am attracted top-flight teams and superstar drivers. It also encouraged innovation, and racing's most inventive minds brought out novel and astounding ideas. Chaparral, Lola, McLaren, Porsche and Shadow are among 22 of these epic machines revisited through stunning studio photography by Peter Harholdt and vivid descriptions by Pete Lyons, long considered the dean of Can-Am journalists.--Publisher's description. Kate McDermott is a good girl who has done everything she can to please her very powerful and domineering father -- a Justice on New York's Supreme Court with hopes for political office. When she decides to write an article about BDSM in popular culture, she tells herself it's just research and nothing personal for she can

afford to become the target of gossip or scandal. She hopes that the carefully worded agreement she writes up will keep her relationship with the Dominant she will interview strictly professional. Then 'Master D' - Drake Morgan - walks into the interview and Kate is mortified for not only is he gorgeous, he is the son of her father's best and oldest friend... Drake Morgan, MD, bass player, philanthropist - Dominant. Known as Master 'D' in Manhattan's BDSM Community, Drake must keep the kinky side of his life secret to protect his very successful career as a neurosurgeon. After a heartbreaking divorce, Drake doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He keeps everything in his well-ordered life separate and under his firm control. Then Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, and no longer under control for Drake is smitten and things are going to get messy... Unrestrained is the moving, sometimes frightening story of Caroline Cameron's journey of surviving and thriving after years of horrific abuse from her husband. Caroline has approached her story with searing honesty and no-nonsense practicality and in so doing has dug a well of healing for the thousands of people whose stories are like hers. Caroline lifts the mask off so much of the secret and dangerous world of domestic abuse but, more importantly, provides a way into healing and restoration of soul for all those who are going through a similar experience. Her profound hope is that you will see that it is possible not only to be a survivor of abuse but that you can actually thrive! Where once you experienced control, oppression, containment and restraint, you can now live powerful, expansive and nurtured lives full of freedom and

grace. 'If you're currently trapped in an abusive relationship, let Caroline's story comfort you and bring you hope. If you've experienced abuse in the past and still live with the trauma of what you went through, let Caroline's story lead you into greater freedom. If you're supporting victims of abuse, let Caroline's story inspire faith in your heart that nothing is impossible with God. If you're someone who is fortunate enough to have never experienced abuse, let Caroline's story of redemption wow you and give you a deeper awe of God.'

(from the foreword by Wendy Mann)

This book explores the interrelations between food, technology and knowledge-sharing practices in producing digital food cultures. *Digital Food Cultures* adopts an innovative approach to examine representations and practices related to food across a variety of digital media: blogs and vlogs (video blogs), Facebook, Instagram, YouTube, technology developers' promotional media, online discussion forums and self-tracking apps and devices. The book emphasises the diversity of food cultures available on the internet and other digital media, from those celebrating unrestrained indulgence in food to those advocating very specialised diets requiring intense commitment and focus. While most of the digital media and devices discussed in the book are available and used by people across the world, the authors offer valuable insights into how these global technologies are incorporated into everyday lives in very specific geographical contexts. This book offers a novel contribution to the rapidly emerging area of digital food studies and provides a framework for understanding contemporary practices related to food production and consumption internationally. The author of the "engrossing" (People)

international bestseller *The Room on Rue Amélie* returns with a moving story set amid the champagne vineyards of France during the darkest days of World War II, perfect for fans of Heather Morris's *The Tattooist of Auschwitz*. *Champagne, 1940*: Inès has just married Michel, the owner of storied champagne house *Maison Chauveau*, when the Germans invade. As the danger mounts, Michel turns his back on his marriage to begin hiding munitions for the Résistance. Inès fears they'll be exposed, but for Céline, the French-Jewish wife of *Chauveau's* chef de cave, the risk is even greater—rumors abound of Jews being shipped east to an unspeakable fate. When Céline recklessly follows her heart in one desperate bid for happiness, and Inès makes a dangerous mistake with a Nazi collaborator, they risk the lives of those they love—and the vineyard that ties them together. *New York* 2019: Recently divorced, Liv Kent is at rock bottom when her feisty, eccentric French grandmother shows up unannounced, insisting on a trip to France. But the older woman has an ulterior motive—and a tragic, decades-old story to share. When past and present finally collide, Liv finds herself on a road to salvation that leads right to the caves of the *Maison Chauveau*. In *Ivory Shoals*, twelve-year-old Gussie Dwyer—audacious, resilient, determined to adhere to the morals his mother instilled in him—undertakes to trek across the sumptuous yet perilous peninsula of post-Civil War Florida in search of his father, a man who has no idea of his son's existence. Gussie's journey sees him cross paths with hardened Floridians of every stripe, from the brave and noble to a bevy of cutthroat villains none worse than his amoral shark of a stepbrother. Rich in visceral details and told with a pulse-quickening pace, *Ivory*

Shoals is a distinctly American story, in the tradition of Mark Twain and Cormac McCarthy. The novel is also a timeless epic, tracking Gussie's odyssey from childhood toward adulthood. Will he survive his quest, and at what cost? The epilogue in the Unrestrained Series, Endless follows Drake and Kate as they build a new life in Southampton. Life on the south coast of England is picture-perfect for the happy family. Drake heads up a robotic surgery unit at the new children's hospital and Kate pursues her art in the peaceful and picturesque town on the southern coast of England. Then, it isn't and potential tragedy strikes. News from Indonesia leads to the fight of Drake's life to save Liam and finally gain shared custody of his son. Readers of the series will enjoy the heart-warming conclusion to Kate's and Drake's story of finding their soulmate and fulfilling both their dreams. Never flirt with temptation. Never lust after what I can't have. And never, under any circumstances, screw a married man again. By the time this story is told, I'll have failed at all three... With my heart and reputation in ruins, I can't afford to make another mistake. Boarding a flight to Seattle is supposed to give me a clean slate, but from the moment Cash Montgomery slides into the seat next to mine, I'm captivated by his steel eyes that see too much. I ache for this stranger in a way I've never ached for anyone. But I didn't know he was married, and I sure as hell didn't see the curveball fate had in store. My clean slate in Seattle isn't so clean after all because my new boss is the man forbidden to me. And the only man I want. The only man I'll do anything for, even if it means breaking the promise I made to myself when I fled my old life in shame. I wasn't supposed to fall for a married man, but I did. NOTE FROM THE AUTHOR:

Trashy Foreplay is a steamy romance suitable for mature audiences only. Though the subject matter deals with adultery there are no innocent parties here. Book 1 in the Trashy Affairs series. The Unrestrained Series Collection Volume One contains the first three books in the Unrestrained Series. The Unrestrained Series: Kate McDermott is a good girl who has done everything she can to please her very powerful and domineering father -- a Justice on New York's Supreme Court with hopes for political office. When she decides to write an article about BDSM in popular culture, she tells herself it's just research and nothing personal for she can't afford to become the target of gossip or scandal. She hopes that the carefully worded agreement she writes up will keep her relationship with the Dominant she will interview strictly professional. Then 'Master D' - Drake Morgan - walks into the interview and Kate is mortified for not only is he gorgeous, he's the son of her father's best and oldest friend... Drake Morgan, MD, bass player, philanthropist - Dominant. Known as Master 'D' in Manhattan's BDSM Community, Drake must keep the kinky side of his life secret to protect his very successful career as neurosurgeon. After a heartbreaking divorce, Drake doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He keeps everything in his well-ordered life separate and under his firm control. Then Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, and no longer under control for Drake is smitten and things are going to get messy. 18+ only for mature content. Winner of the Michael L. Printz Medal ?"King's narrative concerns are racism, patriarchy, colonialism, white privilege, and the ingrained systems that

perpetuate them. . . . [Dig] will speak profoundly to a generation of young people who are waking up to the societal sins of the past and working toward a more equitable future.”—Horn Book, starred review “I’ve never understood white people who can’t admit they’re white. I mean, white isn’t just a color. And maybe that’s the problem for them. White is a passport. It’s a ticket.” Five estranged cousins are lost in a maze of their family’s tangled secrets. Their grandparents, former potato farmers Gottfried and Marla Hemmings, managed to trade digging spuds for developing subdivisions and now they sit atop a million-dollar bank account—wealth they’ve refused to pass on to their adult children or their five teenage grandchildren. “Because we want them to thrive,” Marla always says. But for the Hemmings cousins, “thriving” feels a lot like slowly dying of a poison they started taking the moment they were born. As the rot beneath the surface of the Hemmings’ white suburban respectability destroys the family from within, the cousins find their ways back to one another, just in time to uncover the terrible cost of maintaining the family name. With her inimitable surrealism, award winner A.S. King exposes how a toxic culture of polite white supremacy tears a family apart and how one determined generation can dig its way out. From USA Today Bestselling Romance Author S. E. Lund, Book 3 in the Unrestrained Series: Newly engaged, Drake and Kate start their life together in Nairobi, Kenya, where Drake is teaching and working as a surgeon to help out an old friend. Before they can even get settled in their new home, they are faced with challenges to their view of themselves and their relationship. Will their love survive? Unrestrained is the third book in the bestselling trilogy

in which the intense and passionate relationship between Drake and Kate unfolds as they search for their happy ever after. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. Journalism graduate student Kate McDermott is a good girl who has done everything she can to please her very powerful and domineering father -- a Justice on New York's Supreme Court with hopes for political office. When she

decides to write an article about BDSM in popular culture, she tells herself it's just research and nothing personal for she can't afford to become the target of gossip or scandal. She hopes that the carefully worded agreement she writes up will keep her relationship with the Dominant she will interview strictly professional. Then 'Master D' - Drake Morgan - walks into the interview and Kate is mortified for not only is he gorgeous, he's the son of her father's best and oldest friend... Drake Morgan, MD, bass player, philanthropist - Dominant. Known as Master 'D' in Manhattan's BDSM Community, Drake must keep the kinky side of his life secret to protect his very successful career as a neurosurgeon. After a heartbreaking divorce, Drake doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He keeps everything in his well-ordered life separate and under his firm control. Then Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, and no longer under control for Drake is smitten and things are going to get messy... Now, in the weeks before they leave for Africa, Drake takes Kate more deeply into the D/s lifestyle. In the process, the walls between them continue to crumble as they explore each other physically and emotionally and they fall even more deeply in love. But before they can even leave Manhattan, the past returns unexpectedly to challenge their blossoming relationship. Is Kate and Drake's commitment to each other strong enough to stand the test? By the USA Today Bestselling Romance author S. E. Lund, The Commitment is the much-anticipated sequel to The Agreement, Book 1 of the Unrestrained Series. 18+ only for mature content. I want him. Unlike I have ever wanted anything before in my entire life. I

knew it from the very moment his eyes met mine; the way my skin burned under his dark gaze. I knew nothing would ever be the same again. Decklan Taylor isn't just tempting, he's dangerous; a storm that destroys everything in his wake. But even as I stand in the path of his force I can't turn away. While he may be the very thing that breaks me, he's also the only thing that has ever made me feel alive. Crazy Stupid Love is the first of three standalone novels in the Crazy Love Series. A guarded recluse, some dirty pictures and a spark of curiosity that leads to a dangerous attraction. When the reclusive Holly accidentally finds some very naughty photos, both the star – a inked muscle and attitude – and the way he's tied his lady friend to his four-poster bed make her more than a little curious. But to get to know the big, built stonemason better, she'll have to overcome his vengeful ex and her own inhibitions – and pray that the walls she's built around her guarded heart and dark secret remain safe from a man who has a way with stone... Craving the endorphin rush that only a well-placed slap can bring? Aching for the pleasurable restraint of your wrists in leather cuffs? In Hurts So Good, editor Alison Tyler presents tantalizing, triple-X tales that are rich in saucy details of lovers paying the price with their bodies. Whether you dream of shedding your inhibitions with the right master, finally feeling the strong hands of a hot female tattoo artist, or switching from top to bottom and back, then this heart-pounding, rush-seeking collection will give you all the joys consensual pain can bring.

"Humanity is at a crossroads in our pathway to future prosperity, and our next steps will impact our long-term sustainability immensely. In this timely volume, leading ecological economics scholars offer a variety of perspectives

on building a green economy. Grounded in a critique of conventional thinking about unrestrained economic expansion and the costs of environmental degradation, this book presents a roadmap for an economy that prioritizes human welfare over consumerism and growth."--Back cover.
