The moment Other Kevin returns to his world trouble begins. Thankfully, he finds friends and allies—some expected, some unexpected—and soon discovers he, like his sister, can wield Old Magick. But without a mentor to help him, will Kevin be tempted to embrace

Darkness? Back in our Tulsa, things have settled down since Zoey and the gang closed the tear between worlds. A new school year has begun, and Zoey's exchange student program with public schools is really taking off. All is well. But if all is well, why is Zoey increasingly withdrawn and moody? Stark thinks he knows what's wrong—and he is determined not to lose Zoey to the Other World and Heath, who is there and very much alive. Stevie Rae thinks she knows what's wrong—Z just needs a break. Maybe a little vacay? And the rest of the Nerd Herd thinks their Z will be fine—just give her some time to stop missing (and worrying

about) Other Kevin. But Zoey knows the truth. In the Other World her brother is using Old Magick, unaware of the dangers it holds. Without guidance, what will stop him from giving in to the potent pull of Old Magick? Without her guidance, Other Kevin could lose more than the war against Neferet—he could lose his soul. And Z knows she must help him—after all, he is her little brother ... In Lost, we follow Zoey, Stevie Rae, and Rephaim to an alternative version of the House of Night, where dangers take the form of friends, and allies are found in the strangest places. "My love, speak to me. Tell me everything." Neferet went to

Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance

on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same - and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does

he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart? Dare to enter the HOUSE OF NIGHT, the phenomenal #1 New York Times bestselling series, with this complete e-collection of all twelve books! When 16-year-old Zoey Redbird is Marked by a vampyre tracker and begins to undergo the Change into an actual vampyre, she has to leave behind her family in Tulsa and move into the House of Night, a boarding school for other fledglings like her. It's tough to begin a new life, away from her

parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's not so easy to fit in when everyone knows you're "special" - and some people wish you weren't.... As Zoey tries to make new friends and maybe find a hot boyfriend (or three), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-innocent plans, to the mysterious deaths happening at the House of Night and all over Tulsa, and the beautiful high priestess, Neferet, who seems to have Zoey's best

interests at heart...or does she? Things at the House of Night are rarely what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny? Read the entire epic series from #1 New York Times and USA Today bestselling authors P. C. CAST and KRISTIN CAST: Marked, Betrayed, Chosen, Untamed, Hunted, Tempted, Burned, Awakened, Destined, Hidden, Revealed, Redeemed A latest entry in the popular series reveals the secret history of the Tulsa House of Night's darkly seductive High Priestess, Neferet, tracing her past as a motherless girl in turn-of-the-century Chicago whose beauty renders her an

object of unwanted attention and abuse, and who gains vengeful, magickal strength after being Marked. Revealed is the spellbinding eleventh and penultimate installment in the #1 New York Times bestselling vampyre series by PC and Kristin Cast. Drastically altered after her fall at the end of Hidden, Neferet is now more dangerous than ever—and her quest for vengeance will wreak havoc on humans, as well as Zoey and her friends. Chaos is loosed in Tulsa and the House of Night is blamed. Can Zoey stop Neferet in time to keep her anger from escalating to full-on war? Or will someone else have to step in to take the fall? The House of Night series

is an international phenomenon, reaching #1 on U.S., German, and UK bestseller lists, and remaining a fixture on The New York Times Children's Series bestseller list for nearly 150 weeks and counting. With more than 12 million copies in print, rights sold in thirty-eight countries to date, and relatable, addictive characters, this series is unstoppable. Now, in the eleventh and penultimate installment of the series, the action is more intense and the stakes even higher as Zoey and her friends battle to protect their school and home from devastating evil—all while balancing romances, precarious friendships and the

daily drama of the House of Night's halls. As Zoey's fate hangs in the balance, her friends must figure out how to bring her back from the Otherworld while coping with serious problems of their own. A latest entry in the award-winning series finds a returned Zoey resuming her place as High Priestess at the House of Night but struggling to maintain a relationship with Stark despite Heath's loss, while Stevie Rae's secret bond with Rephaim grows stronger and increasingly dangerous. Reprint. The mythical Venus helps a nerdy woman find her own inner goddess in this novel in #1 New York Times bestselling author P. C. Cast's

Goddess Summoning series... Pea Chamberlain needs a makeover—shoes, hair, clothes, make-up, everything—especially if she wants to attract sexy fireman Griffin DeAngelo at the fireman's masked ball. And there's no one better suited to coax Pea out of her pod than the Goddess of Love, whom she invokes in a moment of desperation. After eons of helping others find love, Venus has no problem working her magic on Pea. But when the goddess herself starts falling head over heels for Griffin, it will take an act of divine intervention to set this love triangle to rights... When young Lenobia is Marked as a

fledgling vampyre, her world turns upside down and she is drawn to the musical streets of New Orleans where she learns of the city's dark underbelly, ruled by powerful black magic. It's Zoey's eighteenth birthmas and the Nerd Herd has been scattered across the country busily adulting for almost a year when Stark calls them back to Tulsa to surprise Z. But all is not well in T-Town. Strange, dark signs are appearing—could it be possible Neferet is stirring? Not willing to chance disaster striking again, Zoey calls on her newly reunited friends to circle with her and add a layer of protection over Neferet's grotto jail. Easy-peasy, right?

Wrong. Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved? Fog rolls into Tulsa, and with it comes Darkness. Zoey knows something is up, and that the something involves Neferet, but Neferet can't possibly be freed, right? Other Neferet and her companion, Lynette, arrive in Woodward Park to set this world's Neferet free from her grotto prison,

and discover there may be those who sympathize with their cause. Meanwhile, Other Kevin and Other Stark are hot on their trail, but how can the new friends travel to this world without invoking Old Magick and paying a costly, perhaps deadly, price? In *Found*, the culmination of the House of Night Other World series, a surprisingly talented fledgling, an immortal, and the unlikeliest of allies will band together with Zoey and the Nerd Herd. Will they be powerful enough to defeat her old nemesis, or will two worlds be destroyed and claimed by Darkness? Find out in the thrilling conclusion to the House of Night Other World

Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at her.
