**Cocky Shot** Oct 06 2021 Scott Demyan, one of the most polarizing players on the Dartmouth Cobras hockey team, has grown a lot over the past few years. He's a family man. A father. A dedicated player. He's become someone to look up to...But he's still part of the Trouble Triplets. And behaving can get boring. What better way to spice up the summer than to take the rivalry developing with the team 'rookies' to the next level. A few harmless pranks should keep things interesting. Until what started as a joke gets a bit...cocky. In the most literal sense of the word. When the conflict draws the attention of not only upper management, but the media, the consequences could impact the coming season. And the life he's worked so hard to build. Can he take the lead and remind the men the games they play off the ice don't change where they stand as a team? Prove to those he loves that he hasn't forgotten what's really important? He has one chance to repair the damage he's done. And it's going to leave a mark.

**Raw Justice** Jul 23 2020 Ambition can be deadly. The right kind of exposure is all porn star Keiran Stone needs to reach his ultimate goal of

opening his own restaurant, until an ill-fated audition ends with a near-deadly confrontation on the doorstep of Anniston Falls, New York's infamous gay fight club. Rescued by one of the club's members, Kerian is offered a job as The Asylum's chef, and taken under the club's protection. He finds more than a recipe for success. Top-tier fighter, Dallas Stephens, enjoys a variety when it comes to play outside the ring. As a switch, he finds satisfaction at both ends of the whip. Commitment never appealed to him with relationships or careers, but Keiran's sweet temptations whet Dallas's appetite for more than a one-night-stand. Inside and outside of the sub's kitchen. Ordering off the menu can be dangerous. As Keiran fights to establish his own place within The Asylum, threats to the club's foundation leave both men caught in the crossfire. Love and loyalty show them they're exactly where they belong, in the most important battle either will ever face. Surviving it is another story.

*Game Misconduct* Jan 09 2022 The game has always cast a shadow over Oriana Delgado's life. She should hate the game. But she doesn't. The passion and the energy of the sport is part of her. But so is the urge to drop the role of the Dartmouth Cobra owner's 'good daughter' and find a less...conventional one. Playmaker, Max Perron, never expected a woman to accept him and his twisted desires. Oriana came close, but he wasn't surprised when she walked away. A girl like her needs normal. Which he

can't give her. He's too much of a team player, and not just on the ice. But then Oriana's father goes too far in trying to control her and she decides to use exposure as blackmail. Just the implication of her spending the night with the Cobra's finest should get her father to back off. Turns out a team player is exactly what she needs. Single mother and submissive Rebecca Bower abandoned her career as a sports reporter to become a media consultant with her brother's hockey team. A failed marriage to a selfish man makes her wary of getting involved with another. But neither one believes Scott can be faithful. Although he's trying hard to clean up his act to avoid getting kicked off the team, they want more from him. Tag Up Dec 28 2020 Hardcore Training leads to a winning team. Why should parenting be any different? Luke Carter has messed up a lot of things in the past, but being a dad and a husband? He's gonna get that right. Practice should help, except there are strategies on the ice that work with unexpected scenarios that come up with a baby. Or...two. But if this family can figure out how to juggle diaper changes, bottles, and alternating naps, maybe they can manage the next step. Making it down the aisle.

**Flawed Justice** Sep 05 2021 If there were an emergency number for adulthood, Matt Kincaid would have dialed it months ago. Raising his kid brother alone is already an uphill battle, nevermind when an ugly gang initiation lands the teen in lockup. Again. Only, this time for a hate crime against a local fight club, where settling debts isn't taken lightly. When the club offers to let Matt risk everything in a long-shot match with a man who's as brutally handsome as he is tough, he jumps at the chance. If Matt wins, all will be forgiven. If not? Well, he might as well move in, because 'The Law' will own his ass...for a very long time. There are no limits to what Lawson 'The Law' Gaumond will do to protect the club he and his former lovers built. An inner-city sanctuary where Anniston Falls' gay leather culture thrives, The Asylum Fight Club isn't an easy place, but it's home. Taking on a local hothead whose younger brother vandalized the space isn't high on his priority list, but there's something about Matt that cries out for a firm hand. Lawson's never backed down from a fight, and he's not about to start when there's no way he can lose. When renewed gang violence erupts, spilling blood over The Asylum, Lawson and Matt must confront their pasts to find a way forward. Gunshots and knives should be harder to survive than this rough love, but coming to the ring armed with nothing but the truth is their greatest challenge of all.

Defensive Zone Feb 10 2022 Silver Delgado has gained control of The Dartmouth Cobras—and lost control of her life. Hockey might be the family business, but it's never interested Silver. Until her father's health decline thrusts responsibility for the team he owns straight into her hands. Now she has to find a way to get the team more fans, and establish herself as the new owner. Which means standing up to Dean Richter, the general manager and the advisor her father has forced on her. The fact that their 'business relationship' started with her over his lap at his BDSM club shouldn't be too much of a problem. Their hot one night stand meant nothing! But how can she earn his respect when he sees her as submissive? Can they separate work and the lifestyle she's curious to explore? Balancing her new life away from Hollywood, living among people who see her as the selfish Delgado princess, has her feeling lost and alone until Landon Bower, the Cobras new Goalie slips into her life and becomes her best—and only—friend. The time they

spend together makes everything else bearable, but before long his eyes meet hers with more than friendship, reflecting what she feels. Which could ruin everything. Two Dominant men who see past her pretty mask and the shallow image she portrayed to the flashing cameras. A gentle attack from both sides that she can't hope to block unless she learns how to play. But she's getting the hang of the game.

**Generation Kill** Apr 19 2020 Based on Evan Wright's National Magazine Award-winning story in Rolling Stone, this is the raw, firsthand account of the 2003 Iraq invasion that inspired the HBO® original mini-series. Within hours of 9/11, America's war on terrorism fell to those like the twenty-three Marines of the First Recon Battalion, the first generation dispatched into open-ended combat since Vietnam. They were a new pop-culture breed of American warrior unrecognizable to their forebears—soldiers raised on hip hop, video games and The Real World. Cocky, brave, headstrong, wary and mostly unprepared for the physical, emotional and moral horrors ahead, the "First Suicide Battalion" would spearhead the blitzkrieg on Iraq, and fight against the hardest resistance Saddam had to offer. Hailed as "one of the best books to come out of the Iraq war" (Financial Times), Generation Kill is the funny, frightening, and profane firsthand account of these remarkable men, of the personal toll of victory, and of the randomness, brutality and camaraderie of a new American War.

**Deserted Justice** May 21 2020 The winning contender always has an edge. Even up against the ropes, Curtis Smith can tip the odds in his favor with his devil-may-care attitude. A long and happy life has always been a long shot, so he faces every comer with his own brand of beat-down. He can claim victory in almost any situation. Except figuring out how to win at love. You have to go all in. A loss in the ring can have its own challenges. And rewards. But as the submissive of two of The Asylum's core owners, the label 'club royal' doesn't leave many options for how Reed Dane can get his 'crown' to fit. Sweets and sparkles don't exactly go with craving the darker side of kink. Sometimes fate stacks the odds. When disaster strands Reed in a sea of familiar faces, only one man's care can keep him from losing the biggest fight of all—to survive.

But without Curtis, how can he avoid a lasting knockout? If the house has reached its limit.

[Iron Cross](#) Jun 14 2022 After overcoming a potentially career-ending concussion, Tyler Vanek, Dartmouth Cobras first line forward, couldn't be happier with his life. Until his boyhood hero-worship for Raif Zovko, a newly acquired player, develops into more. His mistress, 'Chicklet' encourages him to explore his feelings, and with her enjoyment of toying with the powerful Dom, Tyler figures it might be fun.

**Solid Education** Mar 19 2020 Gage Tackett comes off as a bad boy—detached and maybe a little dangerous. Definitely not Vet Sciences Professor Derek Paulson's type. When Gage arrives at Derek's veterinary clinic with a frostbitten stray dog, Derek realizes his most difficult student has a few things to teach him. Things he's more than willing to learn.

[Dark Justice](#) Mar 31 2021 Gravity is just another force to overcome. Renowned aerial artist Avery Dylan has a secret. He's not who he seems to be. A mercenary by trade, he's been activated by his handlers in a desperate move to bring down an impossible-to-reach target inside the infamous Asylum Fight Club. When his high wire act proves easier to execute than one elusive submissive, Avery must resort to more than slithering silks and suggestive moves to breach the club's defenses. Infiltrating its security requires sneaking past its most carefully guarded boundary-Rhodey Leonov's heart. But this is one drop that could kill. When emotions distract from a mission, it never ends well. For the other guy. There are more headstones in Rhodey Leonov's past than notches on his belt, which is a track record he lives with. Literally. Being unstoppable keeps his family safe. They may hate his methods, but so long as they're in one piece, he can live with that. Until an attack on The Asylum's newest member reveals a weakness Rhodey can't let stand. Having Avery recover in his bed for a few days could be a lethal mistake, though Rhodey's not quite ready to reach for the shovel... Unless it's to dig himself into the dark pit he's escaped for so long. With a sub whose sweetness might be nothing but venom. For both men, love isn't an option, because falling only leads to one place... A shallow grave.

Line Brawl Jan 21 2023 Not all fights are one on one. In a team, no man should stand alone. 'You can't keep me.' Shawn 'Easy' Pischlar has given his speech so often, it should be written on the white board in the Dartmouth Cobra's locker room. Too many of his own teammates have heard the words. And the games he's played are finally catching up to him. To hang on to his freedom, Shawn gave up on ever having someone to call his own. A young woman who expects nothing from him slips into his life and has him ready to toss the rulebook. While the man he loves tempts him to burn it. Keeping them both would be easy, only...caring about them isn't. Because when he lets himself care, he remembers why he wrote the rules in the first place. Every lover, from the casual, to those who steal a piece of his heart, shouldn't expect more than pleasure. More than passion. Playing the game, on and off the ice, is his whole world. One he isn't ready to change. Except, life doesn't stop for the game. And when old scars are ripped open, and he's left bloody and beaten, the rules won't help him put the pieces of his life back together. To win this fight, he'll have to break each and every one.

alone. Tragedy once brought him closer to Sahara Dionne, the exquisite, yet fragile Ice Girl, but when her abusive-ex darkens her path once again, Dominik can't help but wonder if his friendship might not be the best thing for her. But she craves his touch, his dominance, and his possession. Everything he desires is finally within his reach. All he has to do is take the shot.

**Cold Justice** Jan 29 2021 Breaking a few rules didn't seem like a huge deal. With his name on several government assassination lists, Wren Gibson's prison sentence might've been the shortest in hacker history, until an unlikely rescue lands him behind the sturdy brick walls of The Asylum Fight Club. Where everyone can game the rules, yet he's forbidden from even placing his piece on the board. But one Dom tempts him to gamble everything. The Asylum's resident, on-call medic, Jared "Doc" McCleod is familiar with the histories of every man who crosses the club's threshold. Their pain, their fear... Of them all, only Wren has held on to his secrets, a fascinating contrast with how completely he gives up control. As the general on the front lines of The Asylum's internal and external battles, it's Jared's duty to make certain the quiet sub with soulful brown eyes doesn't fly under his radar for long. Showing his hand could cost them both. When Jared takes on the task of helping Wren recover from an unexpected injury, Wren begins to wonder. While the Dom is tending to everyone else, who is there for him? To show Jared he can be the sub he needs, he would willingly light himself on fire. For an ex-con with a target on his back, risking that kind of notice is a dangerous strategy, but... Sometimes, getting what you want requires going all in.

*Beyond Justice* Jul 03 2021 Raised and trained by The Asylum Fight Club's most infamous owner, Reed Dane is almost untouchable. Might sound dope, but there are disadvantages to his 'privileged' status. His

guardian's reputation makes a serious relationship impossible—turns out the club's members are addicted to breathing—and the one man Reed truly wants sees him only as a stray his former lover brought home. An endless string of one-night stands lacks the intimacy Reed craves, but at least edgy post-fight hookups distract him from what he'll never have. Until he takes a wrecking ball to the walls that set him apart. Curtis Smith is a lot of things—MMA fighter, club owner...son of a drug lord—but one thing he's not is prepared to face temptation exploding past his carefully built boundaries. Reed is forbidden, to him most of all, but resisting what they both want becomes impossible with the sub challenging him at every turn. And with his past threatening everything The Asylum has been built to protect, Curtis can't afford to be addicted to Reed's brand of candy coated sin. He can't deny himself one taste before his stolen time runs out. Because when it does, all that will be left behind for Reed is a memory... And his heart.
