This book constitutes the refereed proceedings of the 9th Extended Semantic Web Conference, ESWC 2012, held in Heraklion, Crete, Greece, in May 2012. The 53 revised full papers presented were carefully reviewed and selected from 212 submissions. They are organized in tracks on linked open data, machine learning, natural language processing and information retrieval, ontologies, reasoning, semantic data management, services, processes, and cloud computing, social Web and Web science, in-use and industrial, digital libraries and cultural heritage, and e-government. The book also includes 13 PhD papers presented at the PhD Symposium. This book presents an innovative analysis that relates informational structure, syntax and morphology in Quechua. It provides a minimalist account of the relationship between focus, topic, evidentiality and other left-peripheral features and sentence-internal constituents marked with suffixes that have been previously considered of a pragmatic nature. Intervention effects show that these relationships are also of a syntactic nature. The analysis is extended to morphological markers that appear on polarity sensitive items and wh-words. The book also provides a brief overview of the main characteristics of Quechua syntax as well as additional bibliographical information. Rather than merely citing the Code and Regulations for authority and identifying cases which support the proposition or answer given, this work sets forth a discussion of case authorities which have dealt with the relevant situation at hand, and provides a careful analysis of how those cases apply. Key topics covered include: Benefit arrangements subject to ERISA -- Construing and interpreting ERISA plans -- Notice, reporting, and disclosure -- Plan funding -- Plan distribution -- Benefit accrual and vesting -- Fiduciary duties and liabilities -- Preemption -- Standard of review -- Bankruptcy. Is it "just words" when the Supreme Court hands down a decision or when business people draw up a contract? In tackling the question of how an abstract entity exerts concrete power, JUST WORDS focuses on what has become the central issue in law and language research--what language reveals about the nature of legal power. Please note, this resource is suitable for the exams up to June 2022. New revision resources will be available from Spring 2022 for the exams from November 2022.
