A story of little ballerinas with big dreams. Little ballerinas have big dreams. Dreams of pirouettes and grande jetes, dreams of attending the best ballet schools and of dancing starring roles on stage. But in Harlem in the 1950s, dreams don't always come true—they take a lot of work and a lot of hope. And sometimes hope is hard to come by. But the first African-American prima ballerina, Janet Collins, did make her dreams come true. And those dreams inspired ballerinas everywhere, showing them that the color of their skin couldn't stop them from becoming a star. In a lyrical tale as beautiful as a dance en pointe, Kristy Dempsey and Floyd

Cooper tell the story of one little ballerina who was inspired by Janet Collins to make her own dreams come true. Free CD-Rom by Tony Hough included with publication Fully revised and updated New and expanded sections Every kid worries about making friends at a new school, but when nine-year-old Bud accidentally catches the wrong bus and finds himself launched into deep space, new friends are the least of his problems! At Cosmos Academy, Bud learns that Earthlings are the most feared creatures in the galaxy, and even Earth's

location has been hidden! With the help of his new friend, Gort, Bud goes undercover as a Tenarian exchange student. Unfortunately that means everyone thinks he's a pro at anti-gravity Zero-Ball (even though he's really only a pro at watching sports). And with paranoid Principal Lepton threat ening to expel any Earthlings (into outer space) and only Gort's hacked Blip computer to help them determine Earth's coordinates, will Bud ever find his way home? Marthanne's whole community is excited about the moon landing, and Marthanne is especially proud because her father helped create the fabric for the astronauts' spacesuits. With simple rhymes and classic illustrations, this charming toddler gift celebrates the special bond between grandparents and their little ones. We're a pair beyond compare, a rare and special two, in all the ways that I am me and you're completely you. From tea time to game time, singing or swinging, in the good times and even the grumpy ones, a granddaughter knows her

grandpa is always wonderfully himself, and she is wonderfully herself, and together they are unbeatable! A pair beyond compare, a rare and special two! This invaluable reference combines shopping advice, setup guidance, and user tips for all things electronic. A NCTE Notable Poetry Book This playful collection of poems--peppered with an astounding variety of animal sounds--is meant to be read aloud together. These poems for two or more voices explore the myriad sounds animals make--from a frog's jug-o-rum to a fish's boom! to an elephant's bark. Laced with humor, the poems are a delight to read aloud and cover all major classes of animals: mammals, birds, fish, reptiles, amphibians, insects, even a crustacean! Readers will learn how to estimate the temperature by counting a cricket's chirps and

see how creatures make sounds at specific pitches and frequencies, so that they can be heard despite other noise around them. Extensive end notes provide more information on the animals and how and why they make the sounds they do. Written by noted children's poet Georgia Heard, this is an ideal collection for parents and children to share, or for a fun, interactive classroom read-aloud.
