When brilliant and eccentric scientist Liu Wangshu disappears from his apartment in China, the Ministry of State Security is furious, and certain they know what's happened: A defection to the Americans. President Jack Ryan knows how valuable an asset Liu would be - responsible for much of China's recent technological progress, his latest project rumoured to be the biggest yet. The problem is that none of Ryan's team have any idea where Liu is. And what's worse, Ryan discovers that China is already watching them closely: A mole, code-named SURVEYOR, has managed to infiltrate US intelligence, with a terrifying level of access. The new Cold War is about to get very hot indeed... A thrilling new crime novel from the author of Tom Clancy: Shadow of the Dragon, perfect for fans of the electrifying novels of Lee Child, Jeffery Deaver, and C.J. Box. "Cameron's books are riveting page-turners." —Mark Greaney, #1 New York Times bestselling author In the icy heart of Alaska, a series of gruesome murders leads Deputy US Marshal Arliss Cutter into a firestorm of searing corruption, clashing cultures, and bone-chilling

fear... In Juneau, a young Native archeologist is sent to protect the ancient burial sites uncovered by an Alaskan gold mining company. He never returns. In Anchorage, a female torso—minus head, hands, and feet—is washed ashore near a jogging trail by the airport. It is not the first. At Alaska's Fugitive Task Force, Arliss Cutter and deputy Lola Teariki are pulled from their duties and sent to a federal court in Juneau. Instead of tracking dangerous fugitives, Cutter and Lola will be keeping track of sequestered jurors in a high-profile trial. The case involves a massive drug conspiracy with ties to a mining company, a lobbyist, and two state senators. When a prosecuting attorney is murdered—and a reporter viciously attacked—Cutter realizes they're dealing with something much bigger, and darker, than a simple drug trial. The truth lies deep within the ancient sites and precious mines of this isolated land—and inside the cold hearts of those would kill to hide its secrets... What's buried in Alaska stays in Alaska. "A double-barreled blast of action, narrative, and impossible-to-fake authenticity with a great sense of place and a terrific protagonist." —C.J. Box, #1 New York Times bestselling author on Open Carry Special operative Eric Steele must stop a foreign assassin targeting top-tier U.S. military personnel and derail a strike aimed at the heart of America in this third electrifying military thriller from the New York Times bestselling author of All Out War, perfect for fans of Brad Thor, Vince Flynn, and Tom Clancy Two months after taking down terrorist Aleksandr Zakayev, Eric Steele is back in action. Though he is completing his Alpha assignments with the same deadly efficiency as always, he has lingering questions about his missing father—and his own future in the Program. When Steele gets the alert that a fellow Alpha is in serious trouble, he rushes to Paris—only to arrive too late. Jonathan Raines, Stalker Six, is dead, the victim of a brutal attack. While on leave in the City of Light,

Raines had met an attractive art historian who lured him into a trap. Before she vanished, the mysterious woman left a warning for anyone from the Alpha program who might follow her. One of the best and most effective warriors in the top-secret Program, Steele has been trained to take on enemies, and no threat will deter him from avenging a fallen brother. But the killer won't be easy to find. The search takes Steele around the world, from France, to the Adriatic coast of Italy, to the outskirts of Aleppo, Syria, and to a top-secret prison in Russia— where, unexpectedly, he finds more clues about his father—before finally taking him back to the streets of Washington, D.C. No one is safe while the killer is on the loose, and the danger is heightened when Steele discovers intel that killing Alphas is just the beginning of a larger, more nefarious plot. The real target is much, much bigger—and it's up to Steele to prevent catastrophe before he becomes the next elite warrior to fall. Boston PI Spenser takes on a new case in this installment in Robert B. Parker's iconic New York Times bestselling series. Carolina Garcia-Ramirez is a rising star in national politics, taking on the establishment with her progressive agenda. Tough, outspoken, and driven, the young congresswoman has ignited a new conversation in Boston about race, poverty, health care, and the environment. Now facing her second campaign, she finds herself not only fighting a tight primary with an old guard challenger but also contending with numerous death threats coming from hundreds of suspects. When her chief of staff reaches out to Spenser for security and help finding the culprits of what he believes to be the most credible threats, Garcia-Ramirez is less than thrilled. Since her first grassroots run, she's used to the antipathy and intimidation women of color often face when seeking power. To her, it's all noise. But it turns out an FBI agent disagrees, warning Spenser that Garcia-Ramirez might be in real danger this time. It doesn't take long for Spenser to cross paths with an extremist group called The Minutemen, led by a wealthy Harvard grad named Bishop Graves. Although Graves is a social media sensation, pushing an agenda of white supremacy and toxic masculinity, he denies he's behind the attacks. As the primary nears and threats become a deadly plot, it's up

to Spenser, Hawk, and a surprise trusted ally to ensure the congresswoman is safe. This is Spenser doing what he does best, living by a personal code and moral compass that can't ever be broken. "A fine achievement."--Peter Singer, author of *The Life You Can Save* and *The Most Good You Can Do* A sweeping psychological history of human goodness -- from the foundations of evolution to the modern political and social challenges humanity is now facing. How did humans, a species of self-centered apes, come to care about others? Since Darwin, scientists have tried to answer this question using evolutionary theory. In *The Kindness of Strangers*, psychologist Michael E. McCullough shows why they have failed and offers a new explanation instead. From the moment nomadic humans first settled down until the aftermath of the Second World War, our species has confronted repeated crises that we could only survive by changing our behavior. As McCullough argues, these choices weren't enabled by an evolved moral sense, but with moral invention -- driven not by evolution's dictates but by reason. Today's challenges -- climate change, mass migration, nationalism -- are some of humanity's greatest yet. In revealing how past crises shaped the foundations of human concern, *The Kindness of Strangers* offers clues for how we can adapt our moral thinking to survive these challenges as well. In response to the growing use of sophisticated digital encryption to conceal potential threats to the United States, the National Security Agency has ushered forth the new dawn of intelligence-gathering techniques. The top-secret initiative is dubbed Third Echelon. Its existence denied by the U.S. government, Third Echelon deploys a lone field operative. He is sharp, nearly invisible, and deadly. And he has the right to spy, steal, destroy, and assassinate to protect American freedoms. His name is Sam Fisher. He is a Splinter Cell®. 'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives. Mississippi sheriff Quinn Colson attempts to root out small town corruption in

this gritty crime thriller in Ace Atkins' acclaimed New York Times bestselling series. Thirty-six years ago, a nameless black man wandered into Jericho, Mississippi, with nothing but the clothes on his back and a pair of paratrooper boots. Less than two days later, he was accused of rape and murder, hunted down by a self-appointed posse, and lynched. Now evidence has surfaced of his innocence, and county sheriff Quinn Colson sets out not only to identify the stranger's remains, but to charge those responsible for the lynching. As he starts to uncover old lies and dirty secrets, though, he runs up against fierce opposition from those with the most to lose—and they can play dirty themselves. Soon Colson will find himself accused of terrible crimes, and the worst part is, the accusations just might stick. As the two investigations come to a head, it is anybody's guess who will prevail—or even come out of it alive. No one knows who may be the next threat in this “action-packed” thriller by the New York Times bestselling author of National Security (Publishers Weekly). From coast to coast, our nation is witnessing a new wave of terror. Suicide bombers incite blind panic and paralyzing fear. A flight attendant tries to crash an airliner. A police officer opens fire on fans in a stadium. And at CIA headquarters, a Deputy Director goes on a murderous rampage. The perpetrators appear to be American—but they are covert agents in a vast network of terror, selected and trained for one purpose only: the complete annihilation of America. Special Agent Jericho Quinn has seen the warning signs. As a classified “instrument” of the CIA reporting directly to the president, Quinn knows that these random acts of violence pose a clear and present danger. But Quinn may not be able to stop it. The search for terrorists has escalated into an all-out witch hunt. And somehow, Quinn's name is on the list... “Quinn is most definitely one of the best characters in the thriller realm.”—Suspense Magazine In this "Catch-22" for a new generation, a conspiracy theorist unravels his own wife's suspicious death on a plane en route to Brazil—when he was under the impression she was visiting her mother in Chicago. From the New York Times bestselling author of Tom Clancy: Code of Honor (The Jack Ryan Universe) comes the first in the acclaimed Arliss Cutter series set in the beautiful and

deadly wilds of Alaska. U.S. Marshal Arliss Cutter is a born tracker. After enlisting in the military and fighting in the Middle East, Cutter is sent to the icy wastelands of southeast Alaska. Three people have disappeared on Prince of Wales Island. Two are crew members of the reality TV show, Alaska Adventure Jobs. The other is a Tlingit Indian girl who had the misfortune of witnessing their murders. Cutter's job is to find the bodies, examine the crew's footage for clues, and track down the men who killed them. Easier said than done. Especially when the whole town is hiding secrets, the trail leads to a dead end – and the hunter becomes the prey. A gritty thriller set in one of the toughest climates on Earth from master author Marc Cameron, perfect for fans of Lee Child, Mark Greaney and James Deegan. Box 'Cameron's books are riveting page turners' Mark Greaney 'One of the hottest new authors in the thriller genre' Brad Thor Are these the last days of America? A thriller starring “a compelling, never-give-an-inch hero who will appeal to Jack Reacher fans” (Booklist). In the aftermath of a devastating biological attack, America stands on the brink of disaster. The President of the United States is controlled by terrorists. The Vice President, global mastermind Lee McKeon, is plotting his next move. And special agent Jericho Quinn is running for his life. Desperate to clear his name—and expose the conspirators in the White House—Quinn must race against time before McKeon can execute his evil plan. It begins with heightened security, mass surveillance, and the establishment of a brutal police state. It can only end in the takeover of America. The only thing standing between democracy and destruction is a man named Quinn...and one perfectly aimed bullet. From the New York Times bestselling author of Tom Clancy Oath of Office, this heart-pounding thriller features “a formidable warrior readers will want to see more of” (Publishers Weekly). The explosive new thriller series written by Nicholas Irving, the New York Times bestselling author of The Reaper and star of Fox's American Grit. "Wow! Irving & Tata make an incredible team. Reaper: Ghost Target is pedal-to-the-metal action packed with great twists and turns. Think 'Jason Bourne meets Bob

Lee Swagger' then buckle up and get ready for one hell of a read!" —Brad Thor, #1 New York Times bestselling author of Use of Force "A compelling and intriguing tale, layered with suspense, told by two people who know what they're talking about. This one goes on your keeper shelf." —Steve Berry, New York Times bestselling author of The 14th Colony American hero, or unhinged vigilante? In Reaper: Ghost Target, Vick "The Reaper" Harwood is an esteemed sniper with a record kill count—33 kills in 90 days—when he is knocked out under mortar attack in Afghanistan. He wakes up back in the United States with little memory of what happened, his spotter and gun both unrecovered from the battlefield. Harwood has resigned himself to slowly picking up the pieces of his life, training Special Forces snipers in Fort Bragg, North Carolina, and starting a promising relationship with an Olympic medalist named Jackie. But when a series of assassinations start occurring in the area, Harwood can't explain why he just happens to be nearby for each killing—or how a sniper rifle that matches the description of the one he lost seems to be involved. His memory of the past few days is hazy and full of blackouts, and even he has to wonder, is he being framed? Or is he the killer? As Harwood runs from the authorities, his girlfriend falls off the radar, his missing spotter resurfaces, and the assassinated men are outed as drug and sex traffickers. Nothing is adding up. Harwood realizes he has to unravel this mystery, and fast, or find himself paying the ultimate price for crimes he may not have committed. America has a new weapon in the war on terror: "Fascinating characters... Masterful."—Steve Berry They can strike anytime, anywhere. A public landmark. A suburban shopping mall. And now, the human body itself. Three Middle Eastern terrorists have been injected with a biological weapon, human time bombs unleashed on American soil. They are prepared to die. To spread their disease. To annihilate millions. If America hopes to fight this enemy from within, we need a new kind of weapon. Meet Special Agent Jericho Quinn. Air Force veteran. Champion boxer. Trained assassin. Hand-picked for a new global task force that, officially, does not exist. Quinn answers only to the Director of National

Winter comes early to the rural native community of Stone Cross, Alaska - and so does hunting season. But Arliss Cutter has come here for a very different game. A federal judge is receiving death threats and refuses protection. Cutter and his deputy Lola Teariki have been assigned to shadow him on his trip to this icy outland. They quickly discover that no one is ever really safe in a place like this. And no one is above suspicion. When Cutter and Lola arrive, the village is already gripped with fear. A young couple has disappeared and their handyman found dead. To make matters worse, a dense fog has descended on the region, isolating the town from civilization. With the judge's life still at risk, and two people still missing, Cutter and Lola have their work cut out for them. Because in Alaska, nothing runs colder than blood. A chilling and gripping thriller from master of the genre Marc Cameron, perfect for fans of Lee Child, Vince Flynn and Mark Greaney. Praise for Marc Cameron 'A double-barreled blast of action' C. J. Box 'Cameron's books are riveting page turners' Mark Greaney 'One of the hottest new authors in the thriller genre' Brad Thor Marine officer. CIA analyst. President. Jack Ryan has devoted his life to protecting the United States. What if this time, he can't? President Ryan and the Campus return in this entry in Tom Clancy's #1 New York Times-bestselling series. Freedom may have finally arrived in Iran. As protests break out across the country, the media rejoices over the so-called Persian Spring. Western leaders are ecstatic. Members of Congress and the

Cabinet clamor to back the rebels. Only President Jack Ryan remains wary. Meanwhile, he has plenty to handle at home. A deadly strain of flu is ravaging the United States as spring floods decimate the Southeast. An unethical senator wants to bring down the Ryan presidency and is willing to lean on fabricated bot-planted stories to do it. But the scariest story is the most closely guarded one. Two Russian nuclear missiles have been hijacked. The Campus gets their first break when Jack Junior connects with a rogue Russian intelligence officer in Afghanistan--only to be abducted soon after arriving. John Clark and the rest of the Campus team race to track the missiles and rescue their colleague. As sensationalized stories spin out of control and the stolen missiles remain out of reach, President Ryan's toughest challenge emerges: How do you meet an enemy head on, when he won't even show you his face? The next book in the explosive new thriller series by former special operations sniper and New York Times bestselling author of *The Reaper*. A convoy of cars carrying several family members of the President's cabinet to Camp David for "Family Day" is ambushed, killing and wounding wives, husbands and children. Immediately in the aftermath, Vick Harwood watches a Facebook live feed of his former ranger buddy Sammie Samuelson's apparent suicide and confession in his Thurmont, Maryland apartment, just one mile from Camp David. Remnants of a firefight are in the background: sniper rifle, rocket launchers, and ammunition. Simultaneously, an intruder breaks into Harwood's house. Harwood arrives in Thurman to investigate the suicide and, with the help of attractive FBI agent Valerie Hinojosa, traces evidence left by Samuelson to a fiendish plot involving transnational terrorists and domestic political opponents. Meanwhile, the president wants retribution, and will stop at nothing to get it. Harwood joins Team Valid, whose mission is to kill the family members of terrorists and eliminate their seed from the earth. Team Valid, consisting of Hinojosa, Harwood, a Navy SEAL sniper, and a Marine Force Recon sniper, travels to Crimea, Iran, and Azerbaijan before realizing the mission is not what it seems. Harwood struggles to balance his orders with his sense of right and wrong—without losing his life in the

process. As Samuelson is implicated in the Camp David ambush, it is a race to protect his remaining family and uncover the sinister plot in the homeland. Explains how self-delusion is part of a person's psychological defense system, identifying common misconceptions people have on topics such as caffeine withdrawal, hindsight, and brand loyalty. INSTANT NEW YORK TIMES BESTSELLER #1 WALL STREET JOURNAL BESTSELLER Deadly operative Scot Harvath faces down democracy's most powerful enemy in #1 New York Times and #1 Wall Street Journal bestselling author Brad Thor's new white-knuckle thriller. High in the Himalayas, armed with a host of barbaric, improvised weapons, Chinese troops ambush a contingent of highly decorated Indian soldiers. The brutal, hand-to-hand combat lasts for over six hours, destabilizing the already tenuous relationship between the two nuclear neighbors. Fearful of the global consequences of engaging Beijing head-on, countless United States administrations have passed the buck. But when a covert American diplomat tasked with negotiating an Asian version of NATO is murdered on the streets of Jaipur, doing nothing is no longer an option. It is time to unleash Scot Harvath. As America's top spy, Harvath has the unparalleled skills and experience necessary to handle any situation, but this mission feels different. Thrust into a completely unfamiliar culture, with few he can trust, the danger begins to mount the moment he lands in India. Amidst multiple competing forces and a host of deadly agendas, it is nearly impossible to tell predator from prey. With democracy itself hanging in the balance, Harvath will risk everything to untangle the explosive plot and bring every bad actor to justice. Quinn Colson returns to Jericho, Mississippi, and gets pulled back into a world of greed and violence in this gritty, darkly comic tale from New York Times bestselling Southern crime master Ace Atkins. After being voted out of office and returning to the war zone he'd left behind, Quinn Colson is back in Jericho, trying to fix things with his still-married high school girlfriend and retired Hollywood stuntman father. Quinn knows he doesn't owe his hometown a damn thing, but he can't resist the pull of becoming a lawman again and accepts a badge from his former colleague, foul-mouthed

acting Sheriff Lillie Virgil. Both officers have fought corruption in Tibbehah County before, but the case they must confront now is nothing like they've ever seen... When a former high school cheerleader is found walking a back road completely engulfed in flames, everyone in Jericho wants answers for the senseless act of violence. As Quinn and Lillie uncover old secrets and new lies, the entire town turns against them, and they soon learn that the most dangerous enemies may be the ones you trust most. In the third gripping crime novel in Ace Atkins's New York Times bestselling series, small town sheriff Quinn Colson takes on deadly criminals and even deadlier weather... A year after becoming sheriff of Tibbehah County, Mississippi, Quinn Colson is faced with a pardoned killer's return to Jericho. Jamey Dixon now preaches redemption and forgiveness, but the family of the woman he was convicted of killing isn't buying it. They warn Quinn that his sister's relationship with Dixon could be fatal. Others don't think the new preacher is a changed man, either—a couple of dangerous convicts who confided in Dixon about an armored car robbery believe he's after the money they hid. So they do the only thing they can: break out and head straight to Jericho, leaving a trail of bodies in their wake. Colson and his deputy, Lillie, have their work cut out for them. But they don't count on one more unwelcome visitor: a tornado that causes havoc just as the manhunt heats up. Communications are down, the roads are impassable—and the rule of law is just about to snap. A special agent fights chaos and terror in midair in this thriller by the New York Times bestselling author of *Stone Cross*... Special agent Jericho Quinn is a wanted man. Suspected of murder and marked for death by a network of conspirators embedded in the White House, Quinn knows he has to get out of the country—fast—before a team of contract killers finds him and his daughter. To set things right at home, he'll have to take a nonstop flight from Anchorage, Alaska, to Vladivostok, Russia, aboard a massive Airbus A380. But soon after takeoff, it becomes apparent that Quinn and his daughter picked the wrong plane. First, a passenger is brutally murdered. Then, Quinn is mistaken for a terrorist by an off-duty Air Marshal. As panic spreads through the plane and pressure builds

to the screaming point, the unthinkable happens. Someone triggers a bomb. Spoiler alert: This plane is in big trouble... From the author of Tom Clancy *Power and Empire*, this terrifying thriller stars “a compelling, never-give-an-inch hero who will appeal to Jack Reacher fans” (Booklist). Father Pat West, S.J., a buddy of President Jack Ryan's when they were both undergraduates at Boston College, has been arrested and accused of blasphemy against Islam. Ryan discovers a voicemail on his private cell phone from the priest warning about a coming attack against America. In this urgent outpouring of American voices, our poets speak to us as they shelter in place, addressing our collective fear, grief, and hope from eloquent and diverse individual perspectives. “One of the best books of poetry of the year . . . Quinn has accomplished something dizzying here: arranged a stellar cast of poets . . . It is what all anthologies must be: comprehensive, contradictory, stirring.” —*The Millions* \*\*Featuring 107 poets, from A to Z—Julia Alvarez to Matthew Zapruder—with work in between by Jericho Brown, Billy Collins, Fanny Howe, Ada Limón, Sharon Olds, Tommy Orange, Claudia Rankine, Vijay Seshadri, and Jeffrey Yang\*\* As the novel coronavirus and its devastating effects began to spread in the United States and around the world, Alice Quinn reached out to poets across the country to see if, and what, they were writing under quarantine. Moved and galvanized by the response, the onetime *New Yorker* poetry editor and recent former director of the Poetry Society of America began collecting the poems arriving in her inbox, assembling this various, intimate, and intricate portrait of our suddenly altered reality. In these pages, we find poets grieving for relatives they are separated from or recovering from illness themselves, attending to suddenly complicated household tasks or turning to literature for strength, considering the bravery of medical workers or working their own shifts at the hospital, and, as the Black Lives Matter movement has swept the globe, reflecting on the inequities in our society that amplify sorrow and demand our engagement. From fierce and resilient to wistful, darkly humorous, and emblematically reverent about the earth and the vulnerability of human beings in frightening times, the poems in this collection find the words

to describe what can feel unspeakably difficult and strange, providing wisdom, companionship, and depths of feeling that enliven our spirits. A portion of the advance for this book was generously donated by Alice Quinn and the poets to Chefs for America, an organization helping feed communities in need across the country during the pandemic. Tasked with tracking down the arms dealer who masterminded attacks all over the world as a warning of things to come, agent Jericho Quinn and his team are led to South America. A phenomenal account, newly updated, of how twelve innovative television dramas transformed the medium and the culture at large, featuring Sepinwall's take on the finales of *Mad Men* and *Breaking Bad*. In *The Revolution Was Televised*, celebrated TV critic Alan Sepinwall chronicles the remarkable transformation of the small screen over the past fifteen years. Focusing on twelve innovative television dramas that changed the medium and the culture at large forever, including *The Sopranos*, *Oz*, *The Wire*, *Deadwood*, *The Shield*, *Lost*, *Buffy the Vampire Slayer*, *24*, *Battlestar Galactica*, *Friday Night Lights*, *Mad Men*, and *Breaking Bad*, Sepinwall weaves his trademark incisive criticism with highly entertaining reporting about the real-life characters and conflicts behind the scenes. Drawing on interviews with writers David Chase, David Simon, David Milch, Joel Surnow and Howard Gordon, Damon Lindelof and Carlton Cuse, and Vince Gilligan, among others, along with the network executives responsible for green-lighting these groundbreaking shows, *The Revolution Was Televised* is the story of a new golden age in TV, one that's as rich with drama and thrills as the very shows themselves. As mounting tensions between China and the United States push the world's two great powers to the brink of war, it falls to President Jack Ryan to identify the lethal chess master behind the scenes in this thriller in Tom Clancy's #1 New York Times bestselling series. Jack Ryan is dealing with an aggressive challenge from the Chinese government as the G20 Summit approaches. Pawns are being moved around a global chessboard: an attack on an oil platform in Africa, a terrorist strike on an American destroyer and a storm tossed American spy ship that may fall into Chinese hands. It seems that

Premier Zhao is determined to limit Ryan's choices in the upcoming negotiations. But there are hints that there's even more going on. A routine traffic stop in rural Texas leads to a shocking discovery—a link to a Chinese spy who may have intelligence that lays bare an unexpected revelation. John Clark and the members of the Campus are in close pursuit, but can they get the information in time? Jack Ryan, Jr.'s race to stop an international criminal conspiracy is intertwined with the fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives, he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating consequences. Special Agent Jericho Quinn faces off against an elite group of terrorist assassins and a strange plaque of disease outbreaks. Original. Timeless wisdom on death and dying from the celebrated Stoic philosopher Seneca "It takes an entire lifetime to learn how to die," wrote the Roman Stoic philosopher Seneca (c. 4 BC-65 AD). He counseled readers to "study death always," and took his own advice, returning to the subject again and again in all his writings, yet he never treated it in a complete work. *How to Die* gathers in one volume, for the first time, Seneca's remarkable meditations on death and dying. Edited and translated by James S. Romm, *How to Die* reveals a provocative thinker and dazzling writer who speaks with a startling frankness about the need to accept death or even, under certain conditions, to seek it out. Seneca believed that life is only a journey toward death and that one must rehearse for

death throughout life. Here, he tells us how to practice for death, how to die well, and how to understand the role of a good death in a good life. He stresses the universality of death, its importance as life's final rite of passage, and its ability to liberate us from pain, slavery, or political oppression. Featuring beautifully rendered new translations, *How to Die* also includes an enlightening introduction, notes, the original Latin texts, and an epilogue presenting Tacitus's description of Seneca's grim suicide.

**OLD ENEMIES NEVER DIE** Cuba and the United States are in talks to normalize relations, something the old guard on the Communist-controlled island has vowed to stop—by any means necessary. Zayda de la Guardia, a rogue general in the Cuban security services, has gotten his hands on a nuclear weapon left over from the Cold War. He plans to launch it on Miami, an attack that could kill millions. There's just one thing standing in his way: special agent Jericho Quinn and his team have traveled undercover to Cuba to unravel de la Guardia's plot before it ignites a nuclear holocaust. Thrown into a secret prison, pursued by assassins, and trapped on the tiny island during one of the worst hurricanes of the century, Quinn and his crew must survive a trial by fire to prevent an international confrontation that would make the Cuban Missile Crisis look like a fist fight. Praise for Marc Cameron's *Open Carry* "Cameron, who has nearly three decades in law enforcement and a stint as a U.S. Marshal, keeps all the plot points delicately balanced and at the same time creates sympathetic heroes, depraved villains, and nail-biting action. Readers will eagerly await his next." —Publishers Weekly, **STARRED REVIEW** "Cameron effectively combines investigation and straight-ahead action . . . a compelling, never-give-an-inch hero who will appeal to Jack Reacher fans." —Booklist "Cameron's books are riveting page-turners." —Mark Greaney, #1 New York Times bestselling author The bestselling author of the latest Tom Clancy, Jack Ryan novels delivers an adrenaline-filled new thriller featuring Deputy US Marshal Arliss Cutter! Stranded with three violent prisoners in the deadly Alaskan wilderness, Cutter will become the hunter and the hunted... After an early spring thaw on the Alaskan coast, Anchorage police discover a

gruesome new piece of evidence in their search for a serial killer: a dismembered human foot. In Kincaid Park, a man is arrested for attacking a female jogger. Investigators believe they have finally have their suspect. But one deputy is sure they have the wrong man. In the remote northern town of Deadhorse, Alaska, Supervisory Deputy US Marshal Arliss Cutter escorts four very dangerous handcuffed prisoners onto a small bush plane en route to Fairbanks. Cutter's expecting a routine mission and a nonstop flight—or so he thinks. When the plane goes down in the wilderness, all hell breaks loose. The prisoners murder the pilot and a guard and torch the plane. But their nightmare's just beginning. Back in Anchorage, deputy Lola Teariki has traced the dismembered foot to a missing girl—and the serial psychopath who slaughtered her. It's one of the prisoners on Cutter's flight... Now it's a deadly game of survival. With no means of communication, few supplies, and ravenous grizzly bears and wolves lurking in the shadows, Cutter has to battle the unforgiving elements while the killer wants his head on a stick. Here in Alaska, nature can be cruel—but this time, human nature is crueler... "Well-developed characters complement the nonstop action. Cameron viscerally conveys Alaska's austere beauty as well as its unexpected dangers." - Publishers Weekly An explosive Jericho Quinn thriller from the New York Times bestselling author of *Brute Force*, *Stone Cross*, and *Tom Clancy Code of Honor*. The first target is Dallas, Texas. Then, Los Angeles. A deadly nerve gas called *New Archangel* has been unleashed, claiming innocent lives, spreading nationwide panic, and fueling global fears of yet another attack. In the icy reaches of rural Alaska, special agent Jericho Quinn is enlisted to hunt down the man who created the bioweapon—a brilliant Russian scientist who is trying to defect and hiding in the Alaskan wilderness. But time is running out. The scientist is beginning to lose his mind to dementia. If Quinn doesn't find him before the Russians do, the entire western seaboard and beyond will feel the wrath of *New Archangel*—and darkness will fall upon the earth. Box, #1 New York Times bestselling author “One of the hottest new authors in the thriller genre.”—Brad Thor, #1 New York Times bestselling author “Fascinating characters with action off-the-charts. Masterful.”—Steve Berry, New York Times bestselling author “Action-packed, over-the-top . . . Quinn makes a formidable warrior readers will want to see more of.”—Publishers Weekly

The United States has stared down many threats with President Jack Ryan at the helm, but what if he’s not there when we need him? That’s the question facing a nation in the most shocking entry in Tom Clancy’s #1 New York Times bestselling series. A shadowy billionaire uses his fortune to further his corrupt ambitions. Along the way, he’s toppled democratically elected governments and exacerbated divisions within stable nations. The competitors he’s destroyed, the people he’s hurt, they’re all just marks on a ledger. Now, he’s ready to implement his most ambitious plan of all. There’s only one force standing in his way—President Jack Ryan. How do you compel a man like Jack Ryan to bend? He’s personally faced down everything from the Russian navy to cartel killers. It will take more than political headwinds or media disfavor to cause him to turn from his duty to the American people, but every man has an Achilles heel. Jack Ryan’s is his family. The answer is as simple as it is shocking. The billionaire has assembled an international team of the most ruthless mercenaries alive. Their mission—kidnap the First Lady. For fans of Christine Carbo and Scott Graham, an ex-FBI agent is on a desperate hunt for a party of vanished campers while a killer is on the loose. The rugged landscape of Sequoia National Park is a challenge on the best of days—but when a park ranger discovers an abandoned exclusive campsite with an empty tent and high-end technical gear scattered on the shores of an alpine lake, the wilderness takes on a sinister new hue. Thirty-two-year-old Felicity Harland—a former FBI agent who left the service in the wake of a personal tragedy and has taken her skills off the grid—is brought in as chief investigator. As a federal agent with

the Investigative Services Bureau, she tackles crimes that occur on National Parks lands: unexplained falls, domestic disputes, and now a possible murder case. The private company that set up the exclusive camp won’t reveal their client list, leaving Felicity with zero clues. As she struggles to find a lead, she’s also haunted by a painful past that dogs her at every step. But when she meets Ferdinand Huxley, a Navy SEAL turned park ranger, she begins to see the value in not just working with a partner, but trusting one, too. The investigation takes Felicity and Hux deep into a wilderness that tests their physical limits to the extreme—and to the mean streets of Los Angeles, where they begin to learn the grisly truth behind the campers’ disappearance. Bad things happen in the wilderness—and sometimes they’re not accidents.

New York Times-Bestselling Author: A water park is targeted by terrorists in a novella starring “a formidable warrior readers will want to see more of” (Publishers Weekly). Every summer, thousands of families head to the nation’s largest water park, famous for its 21-story waterslide, the “Dead Drop.” This year, one visitor didn’t pack his bathing suit. He packed explosives. When the bomb goes off, dozens are instantly killed. The rest are herded into the park’s massive pool by the bomber’s accomplices. An organized team of fanatical but well-trained terrorists, they seal off the entrances, turn the waterslide into a watchtower, and train their sights on the families below. But one hostage isn’t playing along. He’s special agent Jericho Quinn. He’s on vacation with his daughter. And he’s about to turn this terrorist pool party into one righteous bloodbath... “Jericho Quinn is most definitely one of the best characters in the thriller realm.”—Suspense Magazine

Taskforce operators Pike Logan and Jennifer Cahill race to stop a global pandemic in this fast-paced thriller in the New York Times bestselling series. Invented by nature and genetically manipulated by man, a highly lethal virus has just fallen into the wrong hands. Angered by sanctions placed against its nuclear program, a rogue state is determined to release the virus. The only thing standing in its way is the extralegal counterterrorist unit known as the Taskforce. But as they follow the trail of the virus across

Southeast Asia to the United States, the Taskforce soon learns that the enemy they face may not be the enemy they should fear... In a zone of lawlessness, vengeance has no borders...An action-packed novella by the New York Times-bestselling author of Tom Clancy Power and Empire. It's called the Triple Frontier—the volatile border zone between Paraguay, Brazil, and Argentina, one of the most lawless and deadly regions in the world. It's a corrupt sanctuary where drug lords, Middle Eastern terrorists, slave traders, and dozens of other violent gangs operate with little or no interference from the law. For special agent Jericho Quinn, it's the crossroads of hell. Especially when his younger brother Bo gets caught in the fire. Enlisted to protect the son of an IT mogul on a South American trip, Bo and his crew disappear after being kidnapped by a ruthless cartel. Jericho amasses a cartel of his own to take on the most vicious criminals on earth—far from home, without U.S. government sanction, and without mercy. Mess with the bull, you get the horns—Jericho Quinn style... “A formidable warrior readers will want to see more of.”—Publishers Weekly
