Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if "The Bible says it" still settles it. It's time to hit pause on much of what we're

doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What made their message so compelling, so defensible, so irresistible? What did they know that we don't? Buckle up . . . you're about to find out. In this six-session video study, Andy Stanley will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. And Reading "See It, Feel It, Have It: The

Master Key to Manifesting Your Desires" is The Quickest Way to Do It! By Peeking "Behind the Scenes" of How The Laws of Manifestation Operate, You'll Be Able Witness Your Desires Sprout Into Existence! The Laws of Manifestation taught and USED within the book are FAR from fantasy. In fact, you're already using them to manifest everyday...Both consciously, and unconsciously. And if you already know a thing or two about Manifestation, but haven't been able to use it successfully... The author can GUARANTEE you that there are only a few, small tweaks

needed for you to be able to "flip the switch" and see your desires start to manifest. These small tweaks, which have the biggest impact, are often the difference between success and failure with Manifestation... And they are hidden within the book for those who are ready to see them. Once You Spot The "Hidden Keys" Within The Book, You'll Be A Master of Manifesting Through Your Imagination And Sense of Feeling. Furthermore, what the author has included within are LAWS. That means they operate under ANY circumstances. But, that means that no matter if your desire is good or bad, just or

unjust, these LAWS can be used to manifest it. So, the author asks that if you READ this book, please use these Laws to only manifest desires that are PURE, POSITIVE and GOOD...Or, do NOT READ IT! When The Author First Stumbled Upon These Laws He Was 21 Years Old, Had No Clue He Was Using Them, And Was In Charge Of \$14.4 Million Dollars In Investments. Joseph graduated college in about half the time of everyone else, and shortly after found himself working for the largest privately held investment firm in the world, with his own branch, his own assistant, and in

charge of \$14.4 million dollars for his investors. Although... because he wasn't CONSCIOUSLY aware of the Laws he was using to his advantage, he ended up peaking, and started to lose clients left and right. That is until he lost his biggest client, Chris, and decided it was time to quit. BUT, once he started to study ancient Scriptures and Texts, he stumbled upon these Laws of Manifestation and started bending the Universe to work in his favor. And now that he KNOWS what was REALLY going on when he manifested both his rise and fall, he has included that knowledge in "See It, Feel It, Have It"

for the people that are ready to see it. He has done this as a way for people to have a lot of the same success he's had in manifesting desires, without most of the failure. If you desire to find the ANSWERS you've been looking for, by reading the book right now you'll find them inside. But, like stated previously, what Joseph teaches within are LAWS. And the nature of a Law is that they operate whether your desires are GOOD or BAD. So, only read this book if you're going to use it to manifest the GOOD and POSITIVE in your life, or please, don't read it at all. Totally revised and enhanced to cover

In the American Wild West, the only law is the gun, and justice hinges on the speed and skill of man wielding it. Orphaned in the

state of Virginia and fleeing conscription into the Confederate Army, Matt Clayton makes his way to Mexico, then braves Comanche territory to head north. It's there Clayton meets the beautiful Comanche princess Desert Flower, whose spirit will watch over him as he travels the West, building a reputation as a fast gunslinger and an honest man. When Becky Morrison's husband and father are gunned down by the greedy Vince McKenna and his gang, Clayton finds more than he ever expected on the Circle K Ranch: love, a home, a future. But for a man like Matt Clayton, there is no peace until justice

has been done. McKenna and his allies must pay for their crimes. But can one man bring down the quickest guns of the West? Under the guidance of the White Eagle, Matt Clayton might just have a chance. Spirit of the White Eagle is a classic Western, with nods to legends like Kit Carson, Wyatt Earp, and Doc Holliday. Matt Clayton struggles with good and evil, with loss and hope, with friendship and disappointment, trying to find his place in a rapidly changing world, a world not so different from our own.
