After Hours on Milagro Street Feb 26 2021 "A sexy, emotional, and pitch-perfect

romance." —NPR on Lush Money Opposites attract in this rivals-to-lovers romance from Lush Money author Angelina M. Lopez Guapo pobrecito her grandmother calls him. The “poor handsome man.” Professor Jeremiah Post, the poor handsome man, is in fact standing in the way of Alejandra “Alex” Torres turning Loretta’s, her grandmother’s bar, into a viable business. The hot brainiac who sleeps in one of the upstairs tenant rooms already has all of her Mexican American family’s admiration; she won’t let him have the bar and building she needs to resurrect her career, too. Alex blowing into town has rocked Jeremiah to his mild-mannered core, but the large, boisterous Torres clan is everything he never had. He doesn’t believe Alex has the best interest of her family, their community, or the bar’s legacy in mind. To protect all three, he’ll stand up to the tough and tattooed bartender with whom he now shares a bedroom wall—and resist the insta-lust they both feel. But when an old enemy threatens Loretta’s and the surrounding neighborhood, Alex and Jeremiah must combine forces. It will take her might and his mind to save the home they both desperately need. "Sparks fly and tempers flare in this passionate, un-put-downable rivals-to-lovers romance that launches a sizzling new series...Lopez seamlessly blends high-heat romance with discussions of Alex’s heritage and the fascinating history of 19th-century Mexican immigrants to the Kansas plains. This is a treasure." —Publishers Weekly, starred review

After Dark Aug 23 2020 A short, sleek novel of encounters set in the witching hours of Tokyo between midnight and dawn, and every bit as gripping as Haruki Murakami's masterworks *The Wind-Up Bird Chronicle* and *Kafka on the Shore*. At its center are two sisters: Yuri, a fashion model sleeping her way into oblivion; and Mari, a young student soon led from solitary reading at an anonymous Denny's into lives radically alien to her own: those of a jazz trombonist who claims they've met before; a burly female "love hotel" manager and her maidstaff; and a Chinese prostitute savagely brutalized by a businessman. These "night people" are haunted by secrets and needs that draw them together more powerfully than the differing circumstances that might keep them apart, and it soon becomes clear that Yuri's slumber—mysteriously tied to the businessman plagued by the mark of his crime—will either restore or annihilate her. *After Dark* moves from mesmerizing drama to metaphysical speculation, interweaving time and space as well as memory and perspective into a seamless exploration of human agency—the interplay between self-expression and understanding, between the power of observation and the scope of compassion and love. Murakami's trademark humor, psychological insight, and grasp of spirit and morality are here distilled with an extraordinary, harmonious mastery. "Eyes mark the shape of the city. Through the eyes of a high-flying night bird, we take in the scene from midair. In our broad sweep, the city looks like a single gigantic creature—or more, like a single collective entity created by many intertwining organisms. Countless arteries stretch to the ends of its elusive body, circulating a continuous supply of fresh blood cells, sending out new data and collecting the old, sending out new consumables and collecting the old, sending out new contradictions and collecting the old. To the rhythm of its pulsing, all parts of the body flicker and flare up and squirm. Midnight is approaching, and while the peak of activity has indeed passed, the basal metabolism that maintains life continues undiminished, producing the basso continuo of the city's moan, a

monotonous sound that neither rises nor falls but is pregnant with foreboding.”
—from *After Dark*

***Office Hours* Jul 14 2022** What's life like on the tenure track? For Assistant Professor of Sociology, Dr. Deja Evans, it sucks. Hard. Every day. Between the class prep, the meetings, grading student work, trying to find time to complete her own research and the meetings, she didn't have a life, she had a digital calendar that

decided whether she got to wallow in her feelings at 3pm or 7pm, on Thursday or maybe Sunday. And the worst meeting of them all was the two-and-a-half-hour, once a month Faculty Senate, which was drier than her dating life, duller than her skin in winter and far longer than her attention span. The only thing that made those never-ending Faculty Senate meetings bearable was watching Dr. Alejandro Mendoza, Associate Professor of History, breathe. For years, Deja had harbored a kind of secret crush on the sexiest man on campus never thinking that he would ever feel the same, until one unexpected day, they have a steamy after hours encounter in her office and suddenly her life seems much more exciting. That lasts about half a minute. Over the course of a hectic academic year, Deja tries to survive her classes, help her students, prepare herself for her third-year review, and most important of all, she has to learn how to get out of her own way and just let Alejandro love her.

After Hours Sep 23 2020 *After Hours* is a celebration of Bradford J. Smith's (1925 - 2016) vintage photography. Brad was a photographer for over 75 years. During his long and varied career he amassed a multitude of stunning photographs. However none were more compelling than his work as a fashion photographer in NYC in the '40s and '50s. By day, fashion photos for Harper's Bazaar. By night, nude portraits of aspiring actresses. Among his after hours models was a young "Betty" Bacall. Sadly, that is a photo you won't see in the book as it was bought back by enraged husband Humphrey Bogart. According to John A. Staszyn, Appraisers Association of America, "The photographs by Bradford Smith contain many of the same qualities of the Conde Nast photographers. The composition, lighting, posing and quality of the prints reflect the positive, creative and alluring aspects of some of Conde Nast's best known photographers such as: Horst, Cecil Beaton, Edward Steichen, Frances McLaughlin-Gill and more."

Viva Las Vegas Nov 25 2020 As eccentric and entertaining as its subject matter, *Viva Las Vegas* examines the architectural and historical evolution of America's original strip city, from its modest origins as a sleepy roadside stop to the neon splendor of its extravagant "theme" hotels. Illustrated with fascinating contemporary and archival photographs, this inviting, informative volume offers an intriguing look into the kitsch and complexities of a unique and provocative City.
